

LINDA COOPER

**Linda Cooper
On Cloud 9
For Germany**

Summer can't come too soon for Linda Cooper because June 16 she begins a crash language program to learn German in New York and leaves July 1 to spend two months in Germany. She was accepted in January for the Home-Stay program sponsored by the Experience in International Living. This week she received word that she had received a scholarship which would pay her way. She pays her transportation to New York and for her 16-day language training course. She will leave from Vermont for Germany. The first month is spent with a German family. The second month in company with her family and other students and their families in the same program, she will tour Germany.

Linda, a senior at HHS is the daughter of Mrs. June Field. She read of the program three years ago in the school library and never forgot it. One requirement of her going, is to report on her trip to groups in her hometown. She says she is hinting to her brothers that she would like to have an instamatic kodak for graduation so she could take slides of her trip to show when she returns.

The Merry Mixers 4-H Cooking Club held their meeting at the home of leader, Mrs. Pat Pettijohn on Feb. 24.

We discussed if we should take a trip to bakeries and stores over spring vacation. We also discussed if we would make May baskets for the patients in the Nursery Homes in Heppner.

Joan McElligott and Jan Peterson brought refreshments of cookies and punch.

We then made rice with spaghetti sauce on it.

Jeanie Piening and Doreen Flack boiled the rice while Carol McElligott, Natalie Tews and Jan Peterson made the spaghetti sauce.

When the rice and sauce were done we all ate some.

Our next meeting will be March 10.

Mr. and Mrs. Robert R. Schultz are thrilled with their new mobile home. They are living at Williamsburg, Va. Mrs. Schultz is the former Linda Heath. Her husband is an instructor in Army air transportation.
