Society AND Clubs

DOT'S JOTS

How about that . . . Charlie and I became Great this week . . . that is a Great Uncle and a Great Aunt! His sister Peggy's oldest son, Gary Rogers called us Wednesday morning from Portland as excited as could be to tell us of the arrival of David Eric Rogers. He, their first child, weighed 7 lb., 8 oz., and he arrived at 7:55 and everyone was feeling great . . . absolutely great.

This looks bad for the Rogers clan. Peggy and Frank Rogers had three sons and now Gary starts the next generation with a son. There should be a gal sprinkled in there sometime!

The other Grandparents live in Maine. Then of course Charlie's mother, Mrs. Thomas Young is a great grandmother.

SHEILA HEALY

Plan June Wedding

Mr. and Mrs. Jim Healy announce the engagement of their daughter, Sheila, to Don W. Munkers, son of Mr. and Mrs. Riley Munkers.

Sheila will graduate from Heppner High School with the Class of 1970. Don is a '65 graduate of Heppner High School and is now serving in the Navy.

A June wedding is planned.

Odd Fellows and Rebekahs Have Gay Time

A group of Odd Fellows of Willows No. 66 decided to treat Sans Souci Rebekahs to an impromptu supper of ham, hotcakes and eggs just prior to the March 20 meeting. The kitchen committee consisting of Randall Peterson, Pete McMurtry, Dud Tash, Lincoln Nash and Archie Bechtolt were a very busy crew flipping flapjacks and eggs and efficiently serving coffee. This wasn't their only talent for they refused help doing the dishes. Other Odd Fellows called from the TV room to join the guests were John Wightman, Clarence Bauman, Adrian Bechtolt and Ron Haguewood. These two branches of the Order work very closely with each other.

Preceding opening of lodge an impressive ceremony to drape the Charter was held by Sans Souci members as a memorial to the late Frank McDaniel, a veteran of the Order whose membership record dates back to the Charter of the Hardman lodges. The entire group of Odd Fellows attended this ceremony.

All members were reported. Jo Huston was on this list and she has been missed the last few meetings. Norah Rasmus was said to be home after a lengthy stay in a Pendleton hospital.

Past Noble Grand Altha Kirk and Esther Bergstrom were elected as delegates to the State Rebekah Assembly to be held in Eugene in May. Mary McMurtry and Adelle La Trace were chosen as alternates. Mrs. McMurtry is an officer in the Association of Ladies Auxiliaries Patriarchs Militant whose sessions precede the Assembly dates. She and Mrs. Kirk will go to Eugene to attend the Association whose president is Anita Mitts of Portland.

Those having birthdays in the months of January, February and March were escorted to the center of the room while Shirley Connor, musician, played the birthday song to Letha Archer, Ruth Bergstrom, Lynn Haguewood, Mary Bailey and Adelle LaTrace. Those absent were to be sent cards. Hazel Bauman and Esther Bergstrom further honored this group with birthday cakes after the lodge. The tables were gay with spring flowers.

The Accutron® tuning fork

The power behind the anti-tick movement

ACCUTRON SPACEVIEW "17" - Clear view dial reveals the space age movement, luminous hands and dial, water resistant. \$135.00

ACCUTRON CALENDAR "A1" - 14K solid gold, water resistant, gilt applied Roman numerals, silver dial. \$225.00

The things that make a watch tick are the things that can make a watch run wrong. Like its balance wheel. And mainspring and hairspring. So Bulova left those things out of the Accutron timepiece. And replaced the whole works (including the tick) with a tiny tuning fork that hums. The tuning fork splits a second into 360 equal parts. (The best a ticking watch can do is 5 or 10.) The tuning fork's uncanny precision makes Accutron so nearly perfect that Bulova guarantees accuracy to within one minute a month.* With accuracy like that, a watch has no business ticking when it could be humming.

ACCUTRON® by BULOVA It goes hm-m-m-m.

*We will adjust to this tolerance, if necessary. Guarantee is for one full year.
