## Be A Wheat User!

How many women have vowed they would enter the Oregon Wheat Growers' League Cake Baking Contest NEXT YEAR after seeing the cakes at the county fair? Morrow County is wheat country. There should be lots and lots of entries at the County Fair.

The recipe for the 1971 Contest is printed in this week's Gazette-Times in the Columbia Basin Co-op ad. A change has been made from the chocolate cakes of the last couple of years. It's a white cake with a lemon filling that looks delicious even if it is lots of work.

The recipe is printed early so that all homemakers may practice between now and fair time on their families. We would appreciate hearing from homemakers as they try this cake. Following are the rules of the contest. Of course it isn't the prize money . . . it's the blue ribbon! Happy cake baking.

### OREGON WHEAT GROWERS LEAGUE CAKE BAKING CONTEST

#### THE RULES:

1. Contestant must be a resident of Morrow county.
2. Cake must be exhibited and judged at Morrow county fair.
3. Cake-baking contestants must be women or men over 21, or married women or men; excluding professional bakers.
4. Each contestant must use the same cake and icing recipe as shown in the premium book. Cakes to be displayed at Wheat League Baking Contest, on board (may be cardboard or board covered with foil, etc.)
5. Premiums will be paid directly to the winners from the Wheat League office. County premiums are: 1st—\$5.00; 2nd—\$3.00; 3rd—\$2.00 in each of the twelve wheat counties.
6. First Place winner will be eligible to enter state bake-off at the Annual Convention of the Oregon Wheat Growers League in December. Top award of \$100.00 will be paid to the state winner. If county winner is unable to compete, the second place winner may represent the county at the State Convention. Cake-baking contestants may not re-bake their cakes at State Bake-off unless there is a mechanical failure. Besides the top award of \$100.00, to the winner, a rotating trophy will be presented to the winner at the annual banquet.
7. Check your county premium book on time — your entry should be in place.

## REMEMBER THIS? . . . REMINISCÉ!

### TWENTY-FIVE YEARS AGO April 5, 1945

Mrs. Claude Graham was elected president of the Morrow County Health Association at the annual meeting of the group Monday evening at the Lucas place. John Saeger is the new vice president, while Mrs. Clara Gertson and Mrs. Lucy Rodgers were retained in their respective posts of secretary and treasurer.

John Hannan and family arrived in Heppner Tuesday evening and Wednesday took possession of the Heppner Cleaners which they purchased from Mr. and Mrs. John Skuzeski.

Adoption of rural electrification as its number one project was the main item of business at the meeting of the Morrow County Farm Bureau at the Lexington grange hall Monday evening.

Mr. and Mrs. W. C. Rosewall are living at the Hotel Heppner this week while their new home is being readied for occupancy. The furniture was moved Saturday and the Rosewalls expect to move in the next few days.

Mrs. Edward Chinn arrived in Heppner Monday evening after an absence of several years. Mrs. Chinn has resided in San Francisco since leaving here and may decide to remain if she finds the climate agrees with her. She is helping Mr. Chinn at the Elkhorn restaurant.

Mrs. Pearl M. Runnion and Fred Williams, both of Douglas, Wyo., were married in Pendleton Saturday.

Capt. Richard C. Lawrence arrived in Heppner over the weekend on an extended leave, coming from Klamath Falls where he was met last week by Mrs. Lawrence.

Mr. and Mrs. David Wilson returned Sunday from Portland where they had gone to witness the capping of their daughter, Dortha, in ceremonies at the U of O Medical School on March 31.

Pfc. and Mrs. Omer McCaleb arrived in Heppner this morning from Enid, Okla., to spend a few days visiting at the homes

of their parents, Mr. and Mrs. Alex Green and William McCaleb.

First graders of the Heppner public schools enjoyed an Easter egg hunt in the courthouse park Monday afternoon. Mrs. Lois Winchester provided the favors and refreshments.

### CHUCK WAGON

Well . . . there was a lot of rompin' and stompin' out at the Bill Weatherford ranch the other day. Bill was loading hay. It was grain hay and there's lots of mice in it. One ran up Bill's leg then ran down into his boot. Bill was a-squirmin' and yellin' and he isn't sure which one of them was the scariest. (And furthermore, it tickled!)

Dentist: the only man in town who tells a teenager when to open and shut his mouth—and get away with it!

It's a shock to visit old friends and find that one of their children has grown a foot — and the other a beard!

One good thing about the new dances — nobody knows when you make a mistake.

### Rock Displays Create Interest

The Morrow County Gem and Mineral Society meeting held March 28, was well attended. A lot of interest was shown in the displays Mr. and Mrs. McMurtry have in the window of the meeting room. The amethyst displayed was bought at the Richland Rock Show, and mounted by George Miller. This piece is to be the next prize given by drawing to a club member. Winner of the last prize given, a tumbler, was Mrs. E. E. Gonty.

Paul Miller, field trip chairman, reported all who attended the show at Richland enjoyed it and announced another trip to Walla Walla on April 5.

George Miller showed slides on mini-mounts, a collection of materials gathered from areas near here. Refreshments were furnished by Mr. and Mrs. Ray Barnett and served by Mrs. McMurtry and Mrs. George Miller.

## LETTERS TO THE EDITOR

Dear Editor:

A short time ago the students of Heppner High School and Heppner Elementary decided to incorporate their efforts into a single goal, sponsorship of building a school through the Peace Corps School Partnership Program.

After one colossal project, we have surpassed the halfway point. Our total proceeds stand at approximately \$530.

This never could have been achieved without the joint cooperation of both the elementary and high schools, along with the unselfish acts of local citizens.

Many people deserve special thanks, including the local merchants who were most generous in offering valuable prizes for donations.

The Gazette-Times did an excellent job of publicizing the benefit basketball game.

The Morrow County Jaycees shouldn't go unnoticed. They were most cooperative, as always, in helping make the event successful.

One more group deserves mention. Recently the fourth grade class of Mrs. Lorena Jones sponsored a cupcake sale in the behalf of the PCSPP. I am very happy to say that they sold nearly 600 cupcakes, a tremendous effort.

We are not through raising money yet, but after the recent event and the community spirit that prevailed, we are optimistic of reaching our goal of \$1000 this spring.

Again I would like to extend many thanks to everyone that helped make the basketball games a successful project.

Respectfully yours,  
Pat Kilkenny, ASB President  
Heppner High School

Dear Editors:

Fred Buschke called me yesterday and of course it is always good to hear a "voice from home".

Fred and his wife are living on a place between Gresham and Portland. In Morrow County he was foreman on the Ray Wright ranch on Rhea Creek. Here he met his wife as she was teaching school in the Rhea Creek district. They left for Elgin in 1933 where Fred took over the running of his fathers-in-law ranch and his wife continued to teach. Later he sold out but stayed on in Elgin where he was maintenance man at the school house.

Mrs. Buschke is eligible to retire but will continue teaching another year. Fred says since his retirement he does carpentering, painting and so on. "Anything but idleness" says Fred.

They have two married daughters. Millie Evans of Heppner is his sister.

He remembers Mrs. A. H. Nelson, Mrs. Anne Smouse and Hortense at Terwilliger Plaza and said he attended school in the Rhea Creek district when Mrs. Nelson, then Bertha Morgan, taught school.

learn she is Con Carty's daughter who lived near Condon and not Jim Carty's daughter. The life of a newsman or something. P.P.S.: That Gazette-Times! The woods are full of 'em.

Here, I went down to Grandma's Table again Sunday for a good meal and to spill what I thought would be a big surprise. But no. When I asked for the manager he already had the clipping and was as pleased as punch and said he was going to order some extra copies and "ome for his charming waitresses who wear long dresses and period "waists".

Someone in the valley who takes the paper had brought him a copy.

"Big Foot" Again  
According to news reports, "Big Foot" has the boys chasing him around again in Washington's Cascade Mountains, why are they excited about him? He isn't doing any harm, even if he is leaving tracks 18 inches long. They should be thankful he isn't "Paul Bunyan" they're looking for. We have proof that "Paul" walked all over the Blue Mountains when the ground was soft. All our mountain valleys are old "Paul's" footprints. The Grande Ronde Valley, Camas Prairie, Fox and Bear Valley wouldn't be there if Bunyan hadn't wandered around in the Blue Mountains when the frost was out of the ground.

## Diabetes Detection Clinics Set for Fall

Diabetes detection is the health topic selected by Oregon Extension Homemakers Council for special study by all Extension units throughout Oregon.

Home Extension advisory committees in Umatilla and Morrow Counties plan to cooperate with the county health services in setting up diabetes detection clinics in several areas next fall. Many homemaker volunteer workers will be needed to carry out this endeavor.

Much interest has been expressed in this project, and the home agent has received many telephone calls asking if these clinics could be set up. Preliminary plans will be made during late spring and summer.

## It's A Girl

Mr. and Mrs. Dick McRoberts announce the arrival of a daughter, Robyn Idealla on March 7 at Joseph. She weighed 9 lb., 6½ oz. She has two brothers and two sisters, Rusty, Rita, Buck and Jenny.

Grandparents are Mr. and Mrs. Les Sannar of Joseph and Mrs. Norman Vawter of Boise.

The McRoberts left Saturday to go to Boise for Easter weekend.

Mr. and Mrs. Jack Sumner and family, who had spent the winter in the apartment in Heppner recently moved back to their ranch in the Eight Mile area.

## Units to Study 'Land Use Planning'

All Home Extension units in Umatilla and Morrow Counties will have a study lesson for April entitled "Land Use Planning." This timely lesson attempts to create an awareness of some of the environmental and land use problems that exist in Oregon today. It is designed to help homemakers better understand the duties and functions of the Morrow and Umatilla County planning commissions.

There will be discussions of present efforts to develop long range comprehensive planning and zoning in the two counties. The new zoning law and organization of area advisory committees to augment the law will also be included in the discussion.

Project leaders recently received their training from Fred Hagelstein, Extension agent, Umatilla County; Harold Kerr, Extension agent, Morrow County; and Ken Sweeney, Umatilla County planning director.

A series of colored slides illustrating the points discussed will be used by project leaders. These slides were taken by the county agents throughout the two-county area.

Leaders trained to teach the lesson are:

Heppner — Mrs. Verne Keithley, Mrs. Norman Clow, Mrs. John W. Graves, and Mrs. Walter Wright.

Pine City—Mrs. Weldon Witherrite.

Ione—Mrs. Van Hubbard.  
Boardman—Mrs. Art Allen and Mrs. Mel Allyn.

## Dave Hall Runs For VP at OSU

Dave Hall was home spring vacation from Oregon State visiting his parents, Mr. and Mrs. Eugene Hall.

While he was home he had posters printed for his campaign for vice president of Associated Students at Oregon State. Dave is a sophomore in Ag Education. He was president of his Freshman class. He is a member of Sigma Phi Epsilon.

Dave graduated from Heppner High School in 1968. He was FFA chapter president and went on to be FFA State Reporter 1968-69. The six state officers traveled a combined 25,000 miles that year. They visited every chapter in the state.

Dave's platform is more for student involvement in the University.

Marlene Bergstrom's name was inadvertently left off the list of those who gave blood at the Red Cross Blood Mobile visit last week.
