Cadets Visit Indian Mission

April 12 was the date of a field trip for the Jet Cadets of the Christian Church and for their chaperons, Mr. and Mrs. Don Johnson. They traveled to McKinley Indian Mission. The trip was a triple threat. The Jet Cadets, a junior age group who meet each Wednesday after school, got to take the trip as a reward for a recent contest in their group. Mr. and Mrs. Johnson had been wanting to visit the Mission for some time so the trip was a big treat. They took canned goods and clothing that had been collected by both the Christian churches for the mission.

The group met and visited with Don Augustine, superintendent of the Mission, Mr. and Mrs. Borys Boyuk, house parents and the several children who live there. They toured the Yakima Indian Reservation where the missionaries work. They visited 2 of the 3 preaching points that are maintained. The group took sack lunches and enjoyed a picnic lunch at noon. They also stopped at lookout points and viewed the valley and Mt. Adams which showed clear and beautiful. The Jet Cadets enjoying the exciting day were Doug Marquardt, Mark Piper, Kelly Sager, Joyce Marquardt, Sherrie Marquardt, Ruth Ann Keithley and Jan Johnson. Mr. Johnson brought back packets the mission gave them on the work of the mission, how the mission was started and Indian history.

Playday Postponed

It was necessary to postpone the Wranglers Playday Sunday because of the wind and rainy weather. Snow in the Butter Creek area kept quite a few of the participants at home and the committee decided to postpone the playday.

Members will be notified when the new date is set. It may be possible to have a Saturday playday to make up or hold it at night since lights have been installed in the arena.

The fourth playday scheduled for Sunday, April 26 will be held as scheduled with girls' barrel racing as an added event.
