Meadowood Springs is dedicated to helping young people who have difficulties with communication—speech, hearing and language disorders. The camper-staff ratio is approximately two campers to every clinician. In the relaxed recreational setting in the heart of Oregon's Blues, the boys and girls overcome their individual difficulties and at the same time help them to achieve social and emotional growth.

The Camp is sponsored by voluntary contributions. More than \$50,000 has been expended on capital improvements and equipment.

Printed here is a partial list of contributables. Anyone having these articles or similar articles that might be used at the camp is asked to call Mrs. Charles (Beverly) Doherty. Every kind of gift is most appreciated.
