

Ione Garden Club Gives 200 Mum Plants

IONE—The Civic Beautification Committee of the Ione Garden Club, Mrs. Frederick Martin and Mrs. Garland Swanson, gave to the school children of Ione, grades one through six, over 200 chrysanthemum plants last week. They showed the children how to plant them and instructed them on their care. Besides the committee, Mrs. Van Hubbard helped to divide label and package the plants. There were at least two plants to the package so it is hoped that there will be many beautiful "mums" entered in the Junior division of the County Fair and in the fall flower show in Ione.

Fourteen Green Ash trees were given to individuals in Ione recently by the Garden Club. These were trees given to club members over the state by Mr. C. C. Hoover of Medford in 1967. The local trees were in the nursery of Mrs. Harold Huber. Those receiving trees were Mrs. Berl Akers, Mrs. Mary Holtz, Mrs. Ralph Kincaid, Darrell James, and the Ione City Park. Next year more Green Ash and Spruce trees will be available to individuals who are willing to plant and care for them. Contact the Civic Beautification Committee.

An original poem, "Only A Woman," written by Sandi Carlson, was read by Kathleen McElligott. A baton routine was performed by Anita Crawford, Marlene Magill, and Wendy Christopherson. A fashion show followed the program. In con-

clusion of the tea, Tanya Tucker sang "My Favorite Things."

Banquet and Prom

The Ione High School Junior-Senior Banquet was held on Friday with The Gay Nineties as its theme. Krebs Bros. Sheep Company donated the delicious lamb for the meal. The featured speaker of the evening was Judge Paul Jones. Mike Matthews and Darrell James entertained with musical selections of the Gay Nineties.

On Saturday night, April 25, the prom was held. The juniors decorated to the tropical theme of "Land of the Setting Sun." Gene Crowell and Marianne Pettyjohn reigned as king and queen of the dance. Music was provided by The Country Gentlemen.

Mrs. Gordon Meyers' fifth and sixth grade Sunday school class at the United Church of Christ held a wiener roast at the home of Mr. and Mrs. Henry Krebs. Bill Maier and his father, Fred Maier, from Seattle visited at the home of the Leo Crabtrees and helped them move to Ceil over the weekend.

Successful Plant Sale

A very successful plant, pie and coffee sale, sponsored annually by the Ione Garden Club, was held on April 22 at the Ione Legion Hall. The club wishes to thank everyone for their patronage. The proceeds are used for the organization's beautification and philanthropic projects.

Church Auction

New and used merchandise is requested for the Ione Church Auction. It's not too early to

start donating articles. Mrs. Darrell Wilson is in charge of handmade arts and crafts. Carmen French is chairman of the New to You section and Mrs. Leland McKinney heads the Kiddie Korner. Don't throw away anything that could be used at the auction.

The High Hopes Sewing Club led by Mrs. Darrell James held its meeting on April 23. Cassy Chapel gave a demonstration on hems. A hem most of the girls had never heard of was the shell hem which would be used for decorative collars, cuffs, lingerie, or infants' clothing. We also looked and discussed the patterns and materials that all the girls had. The meeting was held

at Karen Crowell's home. The next meeting will be held on May 16 from 1:00 to 3:00 p.m. in the Catholic Church basement and the club members will lay out fabric and patterns. Kathy Gilbert, reporter

Jerry Broonan underwent eye surgery in Pendleton Tuesday.

Mrs. Charles F. Smith of Olympia and Mrs. Helen Couch of Fairfax, Calif., were weekend guests of their aunt, Mrs. Elmer Griffith in Ione.

BUCKETS ARE PART OF THE PAST

The people of America's rural electric systems know their job is a continuing one. While we made the kerosene lamp a family heirloom in most rural homes, we know that some rural communities are still without dependable, pure water.

As rural America grows, rural communities face different needs. In one, it may be water... in another, houses or jobs. Across the nation, America's rural electric systems are helping to meet these needs.

We are working in our community—we are committed to our community's progress and future
