Number 11

QUEEN KATHY

Queen Kathy Will Travel this Summer

The queen of the 1970 Shriners Hospital Oregon East-West All-Star Football game which will be played in Pendleton on August 22 is Kathy Schwarzin, age 11, from Heppner. She will appear in approximately ten parades and other functions throughout the summer. Her first appearance will be in the Milton-Freewater Pea Festival parade on May 9, and she will end her reign at the All-Star football game in Pendleton on Aug. 22.

Kathy is the daughter of Mr.

and Mrs. Felix Schwarzin. She is in the fifth grade at the Heppner Elementary School and plays clarinet in the band. She is a member of a 4-H sewing club, belongs to the Episcopal Church and sings in the choir. Her hobbies are swimming, bicycling, skating and bowling. She has a pet named Hannibal.

Kathy was admitted to the Shriners Hospital for Crippled Children, Portland Unit, in December, 1964, and was permanently discharged in May of 1967.

The East-West All-Star football game gives recognition to those fine athletes and coaches from A-2 and B schools. All net proceeds from this game go to support the Shriners Hospital for Crippled Children, Portland Unit.

Lee Huson from Heppner High School and Leland Eubanks from Arlington High School have been selected to play on the East team this year.

PRINCESS SUSAN FRENCH

Introducing Princess Susan

Susie French is the second one of her family to join the ranks of royalty. Her sister Verina was Princess in 1966 and Queen in 1967 of the Morrow County Fair and Rodeo. Susie is a 1970 Princess.

Daughter of Mr. and Mrs. Raymond French this blond petite is a Junior at Heppner High School and they live up Butter Creek. Susie has been tagging along with her dad since she was a small one. When he went after cattle, she went. Every summer they take the cattle to the mountains, move them a couple of times and then move them back to the ranch. She helps with the haying. It's plain to see that Susie would rather be "outside" than "inside". She does admit that she likes to cook and sew occasionally.

She was in Horse 4-H for two years and won the trophy for "Small Fry". She is interested in pursuing a career along a commercial line and is considering being a secretary of some kind. "I plan to go to BMCC for a year or so," she says. School activities are many for this miss as varsity cheerleader on the Rally Squad, member of the student council, member of National Honor Society, FBLA, FHA, Girls' League and Pep Club.

She is the youngest of three daughters. Verina is at BMCC where she continues her "horsy" activities as secretary of the College Rodeo Club. Karen, an Oregon State senior is majoring in Home Economics.

Parades are this princess' bowl of cherries. She likes being the Morrow County Fair and Rodeo pennant bearer for three years. She is anticipating the parades and Grand Entries this summer as a member of the Court. She will be riding Tia Juana Taxi, quarter horse.

Residents, Senator Want Dam Money

(Mr. and Mrs. Clarence Rosewell, Mr. and Mrs. LeRoy Gardner and Mr. and Mrs. Jack Van Winkle left Tuesday for Washington, D. C. The men are appearing today at a Senate subcommittee to request funds for the Willow Creek Project study. Following is a telegram from Sen. Packwood):

Washington praising the community of Heppner for its patience and spirit, Senator Bob Packwood (R. Ore.) Thursday called for the funding of Willow Creek dam. Packwood told the subcommittee on public works of the senate committee on appropriations that construction of the dam is overdue. He added: "In the Walla Walla District of the Army Corps of Engineers, which includes parts of all of the States of Oregon, Washington, Idaho and Wyoming, there is not a single new construction start scheduled this

coming fiscal year. It is the exception rather than the rule when this happens and it should not be allowed to happen this year.

"The Walla Walla district says Willow Creek has top priority. This means out of 30 or 40 projects which have been authorized in that district that Willow Creek rats number one on the priority list.

"The project has obvious merits. It has a cost benefit ratio of 1.3 to 1.0; it is a relatively small project in terms of total cost of some \$10 million it would take an appropriation of only \$250,000 to complete the study and plans for this project.

"So the amount needed to get the project on the drawing boards, and even the amount needed to totally fund this project, are relatively inexpensive when compared with other Corps projects.

"There is a dire need for this project. It would measurably improve flood control, it would provide recreation and fishing, it would allow additional irrigation and it would improve the quality of municipal water in Heppner. These are a few of the benefits which would be derived.

"The community of Heppner has been more than patient. Now it is time for Willow Creek dam to be recognized for its merits."

Packwood praised Heppner as "a small rural community comprised of people who care, and who believe in taking initiative." He cited the City of Heppner's initiative in starting a reserve fund to pay its share of cost which will be necessary to obtain rights of way so that the creek channel through the city may be widened.

Bob Packwood

Schools Date Music Concerts

IONE CONCERT—

Ione has dated their Spring Music Festival for May 7 at 8 p.m. at the auditorium. There will be music from all the grades 1 through 12. The 5th and 6th grade girls will do a Maypole dance under the direction of Mrs. Allen Beck.

The Junior High and High School bands will play. All groups will join for the Grand Finale on The Battle Hymn of the Republic. Darrell James is director and accompanist.

There is no admission charge and there will be a coffee and punch hour following the concert.

HEPPNER CONCERT—

The annual Spring Music concert will be held May 12 at 8 p.m. at the high school gym. The bands and high school chorus will present a variety program under the baton of Arnie Hedman accompanied by Karla Weatherford.

Among the numbers the 5th grade Beginners band will play is The Imperial March. Some of the numbers the 6th grade Intermediate Band will play are Enchanted Mountain, Avalon, Hoe-Down and Toot Sweet.

The 7th and 8th grade band will play Early English Suite, Prudence Overture, Yesterday and Java.

The High School Chorus will sing On Great Lone Hills, Poor Man Lazarus, Just Singing Along, Windy.

The High School band will play Variation Overture, Fiddler on the Roof, Waggy for Woodwinds, Brasilia and Impressions of an Irish Air.

RIVERSIDE CONCERT—

Dennis Surmon, music director at Riverside High School has set May 13 as the date for their Spring Concert for both bands and choir of the high school and junior high. The concert of popular music will start at 7:30 in the school auditorium.

They will play and sing show pieces and rock and roll. Sure to make a hit are Shadow of Your Smile; Monday, Monday; Try To Remember and Sunny.

The stage will be decorated with enormous tissue flowers in bright colors of orange, yellow and green. Mr. Surmon expects to make use of the schools' lighting system for some imaginative color effects.

Charles Daly Family Injured in Accident

Mr. and Mrs. Charles Daly and David were hospitalized in Pendleton Sunday after a collision with another car at the Airport Junction about 9 p.m.

The three Dalys were taken to St. Anthony Hospital. Mr. Daly was released Tuesday after treatment for cuts and bruises and a cracked knee cap. David, who received facial cuts, was taken to his grandmother, Mrs. Jim Daly in Pendleton on Tuesday. Mrs. Daly is still in the hospital. She has multiple cuts and bruises.

Progress Report On Marquardt Girls

Penny and Billie June Marquardt are now in the same room at Good Samaritan Hospital which is good for both of them. Penny's medicine has been changed and she is standing the pain better. If this continues, she will have surgery the end of the week to remove the clamps from her head and they will "wire" her neck. Billie June who has had 4 pts. traction has had her leg lowered to within one foot of the bed and she is much more comfortable.

A Drivers License examiner will be on duty here Tuesday, May 19 from 9:30 a.m. to 3:30 p.m.

LOUIS CARLSON

Local Rancher Chosen for Special Honor

CowBelles announced this week that popular rancher Louis Carlson had been chosen as Morrow County's Father of the Year. He was the first choice of five 4-H Clubs. He will be entered in state competition this month. The scoring system is weighted heavily with 25 points in family life and other points for youth activities, community activities, leadership, religious activities, accomplishments and children's accomplishments. (See complete story next week's G-T)

Harley Sager Elected to Chairman Center Board

Harley Sager was elected chairman of the Neighborhood Advisory Council at the April 27 meeting. He replaces Elsie Mae Gibson who had resigned. Due to lack of funds, there is only one paid worker at the Center. It is hoped to carry on the work with volunteers. May 6 was set as all day Orientation meeting for volunteer workers who will handle the abundant foods distribution, assist with clothes selection, be in the office when the Social Security representative comes as well as when the Unemployment people are here.

They will accept employment applications. There are 5 volunteers and five more are needed. Alta Stevens and Johanne Wood were named to serve on the Advisory Committee and Peggy Taylor was named as the youth representative.

An evaluation of the Centers in Morrow and Umatilla County has been written and a committee was appointed to write a report on the Evaluation. Members are Norma Grace, Lorna Borman, Rachel Harnett, Barbara Jessmer, Harley Sager and Rev. Ed Cutting.

Bob Gross from Washington, D. C., spoke. He will be in the two counties for 6 months to assist in the program. Barbara Chalacke spoke in behalf of moving the Mission Center.

Election Fills Board Vacancies

With no competition for any of the positions on the school ballot Monday the school election saw a light turnout of voters. Irvin Rauch and Don McElligott were elected to the school board with 185 and 178 votes respectively. Advisory board members, area and votes: Heppner-Lex, Del Piper 15, O. W. Cutsforth, Jr. 19 and Herman Winter 69; Ione, Katherine Lindstrom 78 and Jim West 75; Irrigon, John Brandt 24 and Boardman, Carroll Donovan 37. Donna Bergstrom received 17 votes for the Zone III position for the School Board.

In the Blue Mountain election, Herman Springer received 200 votes and Russ Doran 202 from Morrow County.

1970 Carnival Rate dSuccess

Did you get squeezed in those crowded aisles at the PTA-Band Carnival? Were you a lucky winner of \$5.00. Weren't the cakewalk cakes splendid? Who broke the dunktank? The County Fairgrounds really get big usage on Saturday from the annual school band carnival and the cow cutting contest.

The PTA, through president Arnold Raymond, and the School Band Music Department, through Bandmaster Arnie Hedman, thank all of you who attended the 1970 carnival which they say was "successful."

Over 200 helpers contributed to this success. Each one cannot be thanked personally, but all of you know that the successful event was achieved only because of all of you pitched in.

The Heppner Gazette-Times, the Bank of Eastern Oregon, the poster makers, and poster distributors helped earliest. As C. day got closer, the booth builders and decorators, especially the fifth and sixth grade band students, did their stuff—with guidance from Paul Warren and Arnie Hedman.

Mary McLeod recruited a top group of "volunteer" cooks and carnival workers. The cooks did so well they "sold out" sooner than expected. Many of the visiting cow-cutters brought good appetites.

The expert ticket sellers kept busy taking in cash; part of which the announcers Bob Jepsen and Dick Schlichting gave away each half hour. All booth supervisors and student assistants really worked. Hubert Wilson and the other B. men did a lot of giving away of fine prizes.

Special appreciation and thanks goes to these great co-operators: Central Market, Knox Variety, Evans Lumber Yard, Western Auto, Gardner's Men's Wear, Murray's Drugs, Case Furniture, Pettyjohn's Farm and Builders Supply, and the Morrow County Jaycees. All of these friends helped with supplies and prizes.

New 1970 features which caught on well were the make-up booth (Oh, those sideburns, mustaches, and glamorous eyes); the jewelry engraving booth; the duck-race pond; and the new pound-a-nail. Among old favorites which did well, was the cakewalk on which two sixth grade rooms, their mothers, and teachers, Mrs. Erwin and Mr. Agee, worked. They awarded 48 lovely cakes. The popular dunk tank had a few technical difficulties and was unfortunately shut down a little while. The dance had strong competition from the Ione prom, and was not quite as well attended as last year's dance. There was no advance sale of tickets for carnival king and queen this year, a feature that has brought in extra dollars in past years.

Although all costs are not (Continued on page 10)

RECENTLY INSTALLED as new officers for the Morrow County Jaycees at their installation ceremony are from left to right: John Privett, State Director; Ron Jones, Chaplain; Tom Beam, External Director; Tom Wilson, Treasurer; Jack Melland, President; Lyle Jensen, Secretary; Pat Wonsler, 2nd Vice President, and Forrest Burkenbine, 1st Vice President. Frank Osmin who was elected Internal Director was not present when picture was taken. (G-T Photo).

Installation, Banquet Highlight Jaycee Year

Harley Sager listed four significant factors which he believes may have led to the breakdown of Americanism in his talk before the Morrow County Jaycees at their annual dinner Saturday evening at the American Legion Hall. His key factors: 1—lack of respect for authority including parental and law enforcement personnel. 2—over-permissive parents. 3—our affluent society. 4—the lack of religion and true Christianity in the lives of Americans.

He challenged the young couples to take an interest in their children that they deserve. Teach them to respect authority and learn to accept responsibility. He urged them not to neglect the little things that count most, such as love and religion.

Tom Wilson Outstanding Jaycee

Tom Wilson was named Outstanding Jaycee for the second year in a row. Jerry Hollomon made the award and John Privett installed the new officers: Jack Melland, president; Forrest Burkenbine, 1st vice president; Pat Wonsler, 2nd vice president; Tom Wilson, treasurer; Lyle Jensen, secretary; Frank Osmin, Internal Director; John Privett, state director and Ron Jones, Chaplain.

Spark Plug Awards

Spark plug awards were presented by Jerry Hollomon to Paul Arbogast, Tom Beam, John Privett, Tom Wilson. The Presidential award for outstanding leadership went to John Privett, who presented an appreciation award to Forrie Burkenbine for all the help he'd been given.

Harley Sager received an ap-

preciation award, also, Jack Melland, incoming president, reviewed the accomplishments of the past year. Ron Jones gave the invocation.

The Jaycee Wives officers were installed this same evening. Mrs. Clyde Allstott handed the gavel to the new president, Mrs. Pat Wonsler. (Also picture page 10).

See A Show Build A School

A heart-warming story, "Baby, the Rain Must Fall," starring Steve McQueen, Lee Remick and Don Murray will be shown at the Heppner High Cafeteria on May 8 and 9 at 7:30.

The proceeds from this movie will be added to the Peace Corps School Partnership Program fund, which now stands at \$665. A total of \$1,000 is hoped for by HHS students before the end of school this year, to complete their commitment.

Sacred Concert

The Soundwaves, Puget Sound College of the Bible, Seattle will present a sacred concert Sunday at 9 a.m. at First Christian Church here and at 11 at Church of Christ, Lexington.
