

1970 Carnival Rated A Success

(Continued from page 1)

charged off yet, the PTA-Band fund has grown nicely. This money will help with school "extras": a rug for the primary grade's library, more band uniforms and supplies, an addition to the musical career scholarship fund. The successful carnival showed that Heppner folks could do it again.

Linda and John Score in Spanish

Among students who scored above average during the recent foreign language field day at Eastern Oregon College were 2 from Heppner.

Almost 600 students and teachers from 20 northeastern Oregon high and junior high schools came to La Grande this year for testing in Spanish, Latin, French, and German.

Listed as very good in Spanish, Level II were Linda Cooper with a total score of 47 and John Sumner with a total score of 43.

Over The Tee Cup

By MARIE McQUARRIE

We all knew spring would arrive sometime and our hopes for a nice Tuesday for Ladies' Day also proved "good wishes are worth waiting for". Our girls' first real day of golf brought out 12 Heppner players and there were two Condon ladies over, also. You should have heard the comments and laments over the first official game of the year for some — really the first time out since last fall. Winter, in between golf seasons, can sure raise havoc with one's game, but seeing that old score go down during the summer is half the fun of playing golf.

Kay Anderson and Karen Thompson were hostesses for the day. Assuming most of us were "rusty" (which we are) no prizes were given score-wise. A drawing was held instead, which was a nice way to award prizes for the first of the season. Cork Norene, Helen Schaffitz and Karen Holland won golf balls by the pull of the right numbers out of a hat. It was very pleasant to have a jug of refreshing lemonade between hole No. 6 and No. 7. That is the thirstiest place on the golf course and a cool drink peps you up for the remainder of the game. A sack lunch was enjoyed after play and visiting took the place of business.

Some of the gals, and I'm sorry I can't say who they all are, as I don't know, have been serving sandwiches and pop to the visiting high school teams. Hungry boys do like to eat and they are plenty thirsty after a concentrated golf game. Thanks, gals, whoever you are. This has been a real hospitable gesture on your part and is appreciated by the boys playing and the Willow Creek Country Club, as a whole. Will try to get some news on the boys' golf team for next week's Tee Cup.

Our having a golf course in as small a town as Heppner is a great asset for the young people that choose to play. Starting this game at an early age promotes the best in golfers. Jack Simkins, a teacher of Heppner High School, is coach of the golf team. He has arranged many days of tournaments, here and out of town for his boys. It is gratifying to have so many young men using the facilities we have. Good luck, golf team.

Little League Starts With Double Header

The Heppner Little League baseball season got off to a good start Saturday with a double header. The Indians 26 vs. Giants 0 and Dodgers 5 vs. Braves 22.

At the end of the 3rd inning of the game that went to 4 innings, the score was 3-0. Pitching troubles hit the young Giants as they went through Clayton Wilson, Jack Yocom, Jerry Baker and Allen Burkenbine. Catchers were Greg Robinson and Russell Roberts.

Joe Rietmann, who was an outstanding pitcher last year, pitched for the Braves and Kim Gutierrez was catcher.

Dodgers vs. Braves
Both teams got two runs in the first inning. The Braves drove four runs in the 2nd inning and scored heavily in the 3rd and 4th innings while the Dodgers brought in one run each inning.

Jon Prock and Kerry Harsin were pitcher and catchers for the Dodgers. The Braves had Robbie Eckman and Steve Malcom pitching and Dan Marshall catching.

Collegiate Rodeoers Talk to Chamber

The Regional College Rodeo, scheduled for presentation in Heppner later this month, was the subject of talks by Blue Mountain College people here at the Chamber of Commerce Monday luncheon.

Gene Ann Seeger who is dean of women at the college introduced the visitors.

Ruby Fulleton of Heppner, told about the girls rodeo team standings. This is their second season and their first year to win a trophy.

Jan Reitz is in charge of publicity said the BMCC team is in second place in the Northwest.

Dean Longgood told about the team competing against 17 other Northwest college teams. Scholastic requirements for the college rodeo students is higher than other students. The BMCC team expects to qualify for the National rodeo finals. BMCC is a school with an enrollment of 800 and competes with schools of 8000.

Young Fellers Face Hearings

Stolen beer will more than make boys burp, two local 15 year old lads discovered. They face juvenile hearings for 3 break ins. Twice in April they are accused of entering Thompson Bros. Grocery, taking some beer and some money. Last Friday they entered the Fiesta Bowl, took \$30 and an unknown amount of money from a slot machine. One lad admitted the break ins, implicated the other who denies his part. Some of the money and merchandise has been recovered.

Marvin Chitty left this week for Nebraska to be with his folks as they celebrate their 50th wedding anniversary. He will fly on to Massachusetts to drive out with Mrs. Chitty's father, Joseph E. Lizotte, who is moving here to make his home.

Everybody
is looking
for a bargain.

Here's one
you can
believe in.

What makes the Buick LeSabre we sell such bargains?

We're dealing, for one thing. Spring is here and we're making up for lost time during those cold winter months when everybody stayed home by the fire.

We're going to make it real easy for you to get into a Buick and celebrate Spring. But that's only part of what makes a bargain a bargain.

What about the car? Can you believe it?

Every Buick is built with integrity.

You get things like a cooling system that should never overheat, even with air conditioning.

You get Buick's unique suspension system—AccuDrive—that makes this LeSabre one of the best handling Buicks ever.

You can even order a 350 cubic-inch, V8. With four-barrel carburetion. That

delivers 285 horsepower. Yet runs on regular gas.

So, let's put it this way. If you want a bargain, we've got the ingredients. The car. And the deal.

Wouldn't you really rather have a Buick?

Buick Value/Buick Dealers.
Something to believe in.
