

**Off to Girls' State
June 14-19**

Gwen Drake and Valerie Boyer of Heppner High School will attend Girls' State, the week-long Government-in-action program sponsored by the American Legion Auxiliary on the Willamette Campus early in June. The girls are financed by the Heppner American Legion Auxiliary and the Soroptimists.

Gwen Drake
Gwen will be ASB treasurer next year. She is a member of Quill and Scroll and works on the yearbook. She plays 1st clarinet in the Concert Band. She is also a member of Pep Club, Girls' League and GAA.

She is active in the Methodist Youth Fellowship, sings in the church choir and occasionally plays the organ for church. She likes being in 4-H and is president of the Hoop & Horn Club and is a member of the Butter Creek Community 4-H Club.

She plays the piano, paints a little bit, sews a little and cooks a little.

Valerie Boyer
Valerie is editor of Hehisch next year and president of Honor Society. This year she has been president of Quill and Scroll and vice president of GAA.

She plays the piano for fun and rides horseback lots. She is a butterfly collector and has collected and mounted more than 75 butterflies from this area. Her father collected butterflies in Nebraska when he was a boy.

She works with her dad around the airplane. Mostly she says, "I clean up the shop". She hopes to start learning to fly this summer.

DOT'S JOTS

Sometime this spring I sat across from Mrs. Bryce Keene at a dinner. We were talking how unintentionally you can say the wrong words at the right time. She tickled us all when she said "The trouble with me I say what I think and I shouldn't even be thinking it."

Live and learn. While chatting with Sheriff John Mollahan about the boy who had stolen a car in North Dakota and hadn't bought any gas all the way. He said he had used an "Oklahoma Credit Card." I believed him and started to write it down. Well it seems that an Oklahoma Credit Card is "borrowing" gas as you go!

Sorry kids! It wasn't just the 8th graders that went to the Elks dance. The 6th and 7th graders were also guests at the dance. Really kids, you were so sophisticated I couldn't tell the 6th graders from the 8th graders!

Has anyone tried the Oregon Wheat Growers League Orange-Lemon Party Cake recipe yet? Please let us know how it turned out. I've only talked to one person who has and that was Estelle Howell who co-owns the Pilot Rock News with her husband, Ken. I don't remember how good she said it was. I only remember she said she used a dozen eggs. I want to try it real soon!

Well, we like Morrow County better all the time. Sunday we found mushrooms! After church, two tea parties and a fire, we went for a late afternoon picnic up to the mountains. After we had eaten we fanned out into the woods. Breath takingly lovely. Moss covered stones, mountain smells, yellow lamb's tongues, lavender bird bills and lady slippers and then two Morrelles. Year or so ago Charlie decided he didn't like mushrooms. This is good, now it leaves more for me. I finally had to take off my jacket. Tucked a sleeve in the pocket and we filled up my sleeves. We found Morrelles, calf brains (my favorite) and turban. I would have looked longer... but it was getting dark!

Purple was the "in colors" Sunday. Purple and white were the class colors used at the Soroptimist Senior tea. Because Inez has shown a preference for purples for a long time, the girls working on the Meadors' 25th Wedding Anniversary used purple there and now the story for the Lee Pettyjohn's 25th anniversary Sunday at Olex has come in and they used purple!

It was so unlikely that our seats for the Ice Follies would be close to our Judy's... the Beckers from Gold Beach, that we could hardly believe our eyes when here we saw them coming up the steps towards us. Where were their seats... you'd never believe it... right behind ours.

Plans to go were made separately without either of us knowing the others were going until the very last. What fun!

Soroptimists Give Senior Tea

As a favor for the 1970 annual Senior tea given by the Soroptimists, the girls were given silver discs as charms for their bracelets. On one side were the words, "Class of 1970" and their class motto on the other. Heppner's motto is "A Time for Us" and Ione's Forward Ever, Backward Never Within ourselves Future Lies."

All but seven of the 23 graduating girls and their mothers attended the tea held at the home of Mrs. Wavel Wilkinson. Each girl was given a colored snapshot taken of her and her mother.

The centerpiece of the tea table was in shades of purple and white for the class colors. Ola Mae Groshens was at the coffee service and Mrs. Bill Johnson at the punch bowl.

Invited to Wedding

Friends are cordially invited to the wedding of Kathy Matthews and Bill McLeod on May 31 at 2 p.m. at the Methodist Church here in Heppner. The reception will follow immediately in the church parlors.

Molly Becket Honored at Tea

For her outstanding contribution in the field of drama while in High School, Molly Becket was presented a dozen red roses by Dennis McKay at the annual Girls' League tea Monday. The presentation followed the one-act play, "Wrong Number" in which Molly was the only one on stage. The suspense plot developed through telephone conversations.

Mrs. Don Bennett, Girls' State chairman for the American Legion Auxiliary talked briefly about the week-long government program sponsored by the Auxiliary in June on the Willamette campus. Last year's delegates Debby Warren and Sandy Matheny announced this year's delegates and pinned them with poppy corsages. 1970 delegates are Gwen Drake and Valerie Boyer. Financing the girls is a joint venture of the Auxiliary and the Soroptimists.

The background for the tea was a castle in Merrie Olde England with stone walls hung with coat of arms, the decorations for prom, "Welcome to Camelot".
