Princess Vivian Enjoys Varied Activities

(Continued from page 1)

NOT JUST MODELING . . . but for real. It's fried chicken for supper. Princess Vivian Phillips likes to cook.

A LEAP from the ground puts Princess Vivian Phillips on the back of Teena for her favorite way of riding . . . bareback.

Leading School also. Signs are put up around the school and on the busses.

Last year she was GAA president, served on the student council and was secretary of the Junior Class. She is active in Pep Club and assists with skits and routines during half-time at the games.

Her Family

Vivian is the daughter of Mr. and Mrs. John Phillips. Her father follows construction and the family lived at Medford and Baker before living in Boardman where they moved seven years ago.

His is a horseback riding family. They all like to ride and as a family have ridden and camped often in the woods and mountains.

She became auntie for the first time on July 7 when her oldest brother and sister-in-law, Mr. and Mrs. Chester Phillips of Pendleton had a son. He has been named Dean Nusom. The Nusom is for his grandfather and great grandfather.

Albert graduated from high school in June and expects to go to BMCC, Karen 14, the triplets, Reta, Neta and Teena, who are 13 years old and Gayl 11 years old.

Likes To

She likes to dance and ride horseback best of all and hopes to perfect her barrel racing and enter competitively. She entered at Arlington, Umatilla and Heppner two years ago but she said "All I did was lose money!"

She has a flair for doing hair and wants to specialize in hair styling. She expects to go to Beauty School in Medford where she will stay with her aunt.

She has been in 4-H Sewing, Cooking and Horse Club. She remembers a demonstration she did at the Fair. She made muffins. She feels this is excellent training and would encourage more kids to enter 4-H. She has shown her horse and won a First in Trail Class. She will enter her horse in the Fair this fall.

She likes to sew and cook. She makes many of her own clothes. She likes to swim.

This summer she is riding Everett Struckmeier's "B.G. Bucket". He is a well-trained horse. He loves parades and the Grand Entries and so does Vivian!

Frank Howells of Monument, Have 60th Anniversary

Mr. and Mrs. Frank Howell of Monument celebrated their 60th wedding anniversary June 28, with a potluck picnic at Bull Prairie with over 70 friends and relatives attending.

They were married June 26, 1910 in Hardman by Justice of Peace Bert Bates in the home of Mr. Howell's brother, Joe Howell.

Their first home was on McKenney Creek where Mr. Howell was raised. They raised a family of four boys. Rho, Clifford, of Monument, Everett and Marvin of Spray. Rho passed away at the age of 21.

Frank was born July 28, 1887 at Oregon City. He survives nine brothers and three sisters. He came to Morrow County when only a small child by wagon.

Mrs. Howell, the former Mabel McDaniels was born June 20, 1892 at Wild Rose Prairie, Spokane County, Wash. She is from a family of four brothers and two sisters. Two brothers and two sisters have died. She also came to Morrow County as a small girl by way of a wagon.

They moved from McKenney Creek to Hardman and from there to Berton Valley, where the boys attended school. They moved to Monument 34 years ago with the last ten of them spent in town.

For a pastime, Frank raises a garden and Mabel raises beautiful flowers and makes rugs.

They use a wood cook stove and also wood for heat. They wouldn't use any other kind.

Mabel says in all their 60 years they have had only one quarrel and Frank says it has lasted all 60 of them!!

They say if they had it to do over again they wouldn't change anything. They have seen many hard times as well as good ones.

TAKEN AT the 60th Anniversary picnic: Archie Becholdt at far left. Mrs. Howell is in front of her "boys". From left are sons Everett, Bill, Mrs. Howell and Clifford.

Rainbow Girls Honor Seniors

About the time school was out the Heppner Rainbow Seniors were given special recognition by the Heppner Assembly. Following a regular meeting, Mary Kay Hughes, Jeannine Hunt, Teresa Wright, Sue Melby, Sandy Matthews and Cindy Harsin were honored during the refreshment hour. The special cake in the shape of an open book was lettered with CONGRATULATIONS SENIORS. Then in one corner Good Luck Patty for Patty O'Hara who was moving away.

They have five grandsons and one great-grandson, and one great granddaughter. She was the first girl born to the Howell family in 80 years.

Early Resident Returns for Visit

Guests of Mrs. Emma Hager last week were Mrs. Warren Boyd, Piedmont, Calif.; and Mrs. Robert Meadows, of Portland. Mrs. Boyd was born and raised here in Heppner, as Lorena Meadows, daughter of Samuel Meadows, who owned the livery stable in the founding days of Heppner. She left here about 60 years ago but has returned many times and she feels Heppner has changed a lot for the better, especially within the last three years. Mrs. Meadows is the granddaughter-in-law of Samuel Meadows.

The fifth meeting of the Kooky Cooks was called to order by President Joyce Marquardt. We had roll call and each was to answer by telling what kind of cooky they were making for the fair.

For new business we discussed what we were going to make for the fair. After old business we all made things like cookies and muffins.

The next meeting will be held on July 14, 1970. The meeting was adjourned by Joyce Marquardt.

INTERNATIONAL HILLSIDE COMBINE 403

- 4-way leveling lets you open fields anyway you want—keeps the weight on the drive wheels for gripping traction at all times—saves up to 2 bushels per acre by keeping the separator level—costs no more than a conventional two-way leveler equipped with optional big wheels and tires.
- Hydrostatic Drive saves time and effort on every move—eliminates the hazards of spin outs on steep uphill climbs—provides positive dynamic braking with no chance of free wheeling.
- Hydraulic brakes on the wheels give you sure stopping and holding on steepest grades.
- 106 hp engine has plenty of power for heaviest yields, steepest grades, softest booting.
