# CHUCK WAGON

**A Happy Birthday on her 87th** last week to my Aunt Myrtle Tullis. As Mother always puts it, Aunt Myrtle is one of the world's happy people with a very charming kind of laughter that makes us all feel good just to be alive. We've always felt what this sad old world needs is more Aunt Myrtles.

**Dr. Norene, just back from a** trip to the Southwest, brought in several interesting tabloid newspapers from Arizona and Nevada. Like most places, they all have the same troubles; not enough representatives in the legislature, loss of population, not enough dinero to get the roads paved and other universal maladies that need curing.

On Aug. 8 the U. S. Forest Service will place dust oil on Road No. 5518 from Swale Creek east to the junction of Road No. 5422 near Herren Meadows and north on Road No. 422 to Cutsforth Park.

**The Merchants Committee** of the Heppner-Morrow County Chamber of Commerce wishes to say a big Thank You to the Elks Lodge for providing the movies during the annual Sidewalk Sale here. Sharon Gorman has been appointed chairman of the Merchants Committee, succeeding Gary Albert.

**Don Johnson was telling us** about a sort of non-sectarian meeting and breakfast for men that occurs on Thursday mornings. They meet at 6 a.m. over at the church, followed by an informal breakfast at about 7 at the Wagon Wheel Cafe. All men are welcome and as we understand it, ministers of other churches will participate, too.

**It was announced at the Monday luncheon** of the Chamber of Commerce that the State Board of Health had threatened to close up the Heppner Hotel. Judge Paul Jones called LaVerne Miller of the Dept. of Sanitation of the State Board of Health and apparently there is room for negotiation with the Hotel owner.

to the Homer Davis ranch. The Air Force boy tracked him through the snow and sold him to Homer. He then left most of his luggage in the hills and started on his journey with one horse, and spent the nights at farm homes along the way.

Chadwick is back in the lime light again, and has lived here and in the Hardman area for several years. Last week 2 of Mr. and Mrs. Emmett Davis grandsons, Scott and Rick McDaniels, decided to try the pioneer way of life. They loaded Chadwick with a bed roll, water jugs, and lunch goods, walked and led him to their cabin in the mountains 7 miles from Hardman where they spent the first night. Next morning they headed for Lonerock over a new route they figured out from a forestry map. It was rough going for it took them up a steep, rocky canyon and they had to half drag Chadwick over some of the difficult places. Instead of coming out at Grandpa Davis' ranch, they landed at the Campbell ranch instead. It was a 15-mile walk and it took them 7 1/2 hours to make the trip.

This week Ginger McDaniel and Jean Christman from Hardman tried their luck pioneering

with Chadwick. They traveled the road and ate their lunch at Rock Creek and it took them 7 hours to make the 19 mile trip.
