

THE PRINCESS SUSIE points to the pattern of the look-a-likes that the three cheer leaders will be making to take to Cheer Leading School next week at Eugene. In the pictures are Princess Susie on the right and her sister Verina when she was princess.

family car the 8 1/2 miles to the Lena Jct. to take the school bus at 7:30 a.m. Her junior year she was so involved that she just drove on into town which is 26 miles from the ranch.

Besides her cheer leading, she is in FHA, FBLA, Pep Club, National Honor Society, Girls' League and on student council. She likes the new English and History because of the wide choice offered to take what she wants.

Hobbies

Princess Susie likes to try new things and water skiing is one she hopes to try this summer up on the Columbia with the

help of Princess Vivian who is an ardent skier. She wants to learn to rope and is picking up tips from Princess Jeri.

What about hippies? "I think everyone has to work". "I'm just sorta western, I like rodeos and western stuff and country things".

Being on the Court comes naturally and she loves it all. The family has been working on the Rodeo for a long time. She was pennant bearer for three years, the last one as permanent bearer. The Grand Entry, she thinks is the biggest thrill.

One more year then it's college. Maybe it will be BMCC. If she goes there, she hopes to take Tijuana with her!

CLEAN AND POLISH, clean and polish. Princess Susie really applies the elbow grease to her saddle before every appearance.

Mrs. Venie Anderson, Mrs. Laurel Kelsay, and Mrs. Marie Britt, all of Spray; Mrs. Lyle Potter and two daughters, of Hermiston; and Mrs. Georgia Fletcher and daughter, of Kinzua, were all dinner guests at the home of Mr. and Mrs. John Hopper on July 28. Mrs. Fletcher is Mr. and Mrs. Hopper's daughter and Mrs. Potter is their granddaughter.

Farmers Urged to Vote in Election

Morrow County officials of the Agricultural Stabilization and Conservation Service are encouraging all eligible farmers to vote later this summer in ASC committee elections.

"Decisions made by farmer-elected ASC committees can be important to almost all farming operations in the area. That's why we want to be sure every farmer who is eligible to vote in ASC elections is on the list to get a ballot," McLeod, Director of the Morrow ASCS office, said.

"We urge any farmer who has not previously participated in an ASC election, has changed the location of his farming operation, or who has any other reason to believe that his name may not be listed in ASCS records to contact his County ASCS Office as soon as possible. In this way, he will be assured of receiving a ballot enabling him to vote in the upcoming election."

The ASC elections this year will be held Sept. 11. Ballots will be mailed to voters about Sept. 1. Farmer voters will elect three community committeemen and two alternates in each ASC community in the county.

The ASCS Director said that in addition to trying to be sure that every eligible voter will get a ballot, ASCS officials are urging farmers to nominate candidates for community committee posts by petition. "Any sheet of paper listing one candidate and having signatures of at least six eligible voters will serve as a nominating petition. And voters may sign as many petitions as they want," he said.

The nomination-by-petition period for ASC community elections opened July 28 and continues through Aug. 17.

Farmer-elected ASC committees—community and county—are responsible for local administration of farm programs. These responsibilities include setting individual farm acreage allotments and bases, approving applications for conservation cost-share funds, providing information to farm program participants and similar duties.

"Through the ASC committee election system, farmers can nominate and elect people of their own choice for these important responsibilities," McLeod said.

He explained that after the community committees are elected, the newly-elected members hold a convention to fill vacancies on the County ASC Committee. The county committee makes all local farm program decisions, with the assistance of community committees.

A list of known eligible voters in the county is open for inspection at the County ASCS Office.

The ASCS Director said that to be an eligible voter, a person must be eligible to participate in any ASCS program administered in the community where he has his farm interest. Also an eligible voter must have a farm interest as an owner, tenant, or sharecropper and be of legal voting age. If he is not of leg-

al voting age, he may vote in ASC elections if he supervises and conducts the farming operations on an entire farm.

Full details on voter eligibility, nomination by petition, community boundaries, and election procedures are available from the Morrow County ASCS Office, Heppner, Oregon.
