Over The Tee Cup

By MARIE McQUARRIE

Not much Tee in the Tee pot for the Tee-Cup this week. Guess the old thing kind of ran dry. Last flings before school starts takes people out of town to do other things which is normal for this time of year. There were golfers chasing the little white ball around Sunday, but as there was no planned play, nobody won and nobody lost. Everyone just shot their own game.

The weather report on Monday for Tuesday was "perfect for this time of year" and that was exactly right. A day like Tuesday is the kind golfers dream about and would like to have the year around. Not too hot, not too cool — just right. VI Lanham came in with a 38 for the morning, receiving the golf ball for the day's play. Beverly Gunderson was in charge of Ladies' Day.

A reminder again — there will be a barbecue this coming Sunday, the 23rd (taking the place of the one scheduled for the 30th), golf starting at 4:00 and

Merry Mixers Stage 'Pre-Fair'

The Merry Mixer 4-H Cooking Club had a "Pre-Fair" at the Ione Grange Hall on Aug. 13, under the direction of their leader, Mrs. Lee Pettyjohn. Mrs. Richard Curtis was judge for the events.

Six demonstrations were given by different members. Giving demonstrations were Donna Palmer, Debra Palmer, Jeannie Pleming, Jan Peterson, Kathleen McElligott, Lori Childers, and Doreen Flack. Doreen and Lori gave a team demonstration. All of these girls will give their demonstrations at the county fair.

Joan McElligott conducted a cake baking contest. Her sister Carol conducted a muffin baking contest. All members furnished muffins and cakes to be judged, and took part in a judging contest. Mothers of the members were guests for the event. Punch and cookies were served.

ED JOHNSON PNB REP

C. E. "Ed" Johnson has been appointed to the position of regulatory representative by Pacific Northwest Bell.

He replaces A. A. "Duke" Kinser whose retirement is effective Sept. 15, according to PNB Manager Dale Slusher.

Kinser, a Portland resident at 2823 N. E. Tillamook, has spent 41 years with Pacific Telephone and Pacific Northwest Bell. He started as a fieldman in the plant department in 1929 and three years later became a salesman in the commercial department.

Since 1954 he has worked in the company's administration department in the areas of merchandising, taxes and regulatory matters.

CHUCK WAGON

They still make 'em hardy and plucky around here. Susie French was doing some riding Saturday when her horse kind of exploded into a fit of bucking as horses sometimes do. Susie got two bones broken in her left hand, quite painful and pretty awkward for someone as busy as a Morrow County Princess. But there's no stopping the gal — she has not missed a beat, appears as usual at all the things going on and — we're sure — will keep right on until the jobs are all completed.

Lois Winchester said Howard Day was here recently and was very pleased with the quantity of clothing received for the relief of the Navajo Indians.

Things are kind of sad at Hotel Heppner. McTavish, a big yellow cat who lives at the Hotel, has again disappeared.

If you'd enjoy getting right in to the spirit of the thing, you can get an official Morrow County Fair and Rodeo tie for \$1 at Heppner stores.

Several people have put in a big word of praise for the Columbia Basin Electric Cooperative and the City of Heppner for the new street lights.

Bill Gentry said they started Aug. 12 with the first installation in the play area of the park. Here they installed a 250 watt mercury vapor light.

The City had requested some changes in the street lighting system. Gale Street and Chase Street will be done and a number of new places will be lighted.

Extent of the system at this particular time will depend on how far the money goes.

Dr. McMurdo has brought in some "Quotations from our forefathers with master minds." Here's something to think about from Lord Thomas Macclesfield who was called the shining star of the English Parliament: the highest proof of virtue is to possess boundless power without abusing it.

Years ago it was almost everybody's ambition to own a Pierce Arrow. Now it is just fun to see one — and a few people did last week.

A 1926 Pierce Arrow stopped for gas at Wright's Country Store at Burgs last Tuesday. It has been shown at the Auto Show in Reno and placed in the top 20. Just as near the original look as possible, the touring car had black fenders and top, cream body and maroon trim. The interior was black leather and the floor covering was maroon carpeting.

Thanks to Marcel Jones for showing us the Communist Rules of Revolution. He gets the "Rough Draft", a publication going to members of the Draft Board. This particular feature told of the list of rules to corrupt our young and get them away from religion, get them interested in sex, destroy their ruggedness, divide our people into hostile camps and destroy the people's faith in their leaders, foment unnecessary strikes, cause the registration of all firearms and confiscate them, leaving the population helpless. We have had a few excerpts of this before and it's title is well put: THINK.

Mr. and Mrs. Wesley Marlatt were in Pendleton Sunday to visit Ralph Marlatt, who is in St. Anthony Hospital. Ralph broke his leg Thursday while mowing the lawn at the Lexington Cemetery.

About 20 minutes after leaving Ralph's room, Wilma was in the emergency room at St. Anthony Hospital. A couple of hours later she was occupying a bed in room 418. Ralph is in room 419.

Wilma was released late Monday night. Ralph will remain in the hospital for at least another week.

Morrow County, Oregon
Notice is hereby given that the County Court of Morrow County, Oregon has called for a hearing on the Formation BOARDMAN RURAL FIRE PROTECTION DISTRICT on August 26, 1970 at the hour of 7:30

Linda Returns from Summer in Europe

It's been an exciting time for Linda Cooper as she returns home from her summer visit in Germany. She recently arrived in Philadelphia where she visited her uncle, Asa Way. She was expected to arrive home last night.

Her trip made a sparkling ending to her final year of high school and a stimulating beginning to her further education. She will be attending BMCC this fall.

Barratts Here

Mr. and Mrs. J. G. Barratt of Mesa, Ariz., are in Heppner for the summer. They retired to Mesa nine years ago but enjoy an annual visit to Heppner. Mr. Barratt was county judge for Morrow County for six years. He finds the town much the same and doesn't see the loss in population that has supposed to have been lost by the tentative census figure. He noted that houses seem to be selling which looks good.

He has enjoyed his retirement. Their new home looks out over the golf course. He is active in the Rotary Club and plays the commodity market. Enroute back to Arizona, they will visit sons, Bill in Spokane and Jim at Corvallis.

Miss Julie Olson, of Portland, is visiting her grandmother, Mrs. Agnes Sperry, and her great grandmother, Mrs. Allen Johnston. She will return to Portland in time for school.

P.M. at the Boardman City Hall, Boardman, Oregon. The boundaries of the proposed district shall be:

Beginning at the South meander line of the Columbia River and the West Section line of Section Ten (10), Township Four (4) North, Range Twenty-four (24) E.W.M.; thence South along the West Section line of Sections Ten (10), Fifteen (15), and Twenty-two (22) to the Southwest corner of Section Twenty-two (22), Township Four (4) North, Range Twenty-four (24) E.W.M.; thence East along the South Section lines of Sections Nineteen (19), Twenty (20), and Twenty-one (21) to the Southeast corner of Section Twenty-one (21), Township Four (4) North, Range Twenty-six (26) E.W.M.; thence North along the East Section line of Sections Twenty-one (21), Sixteen (16), Nine (9), Four (4) of Township Four (4) North, Range Twenty-six (26) E.W.M.; thence North along the East Section line of Section Thirty-three (33), Township Five (5) North, Range Twenty-six (26) E.W.M., to the Northeast corner of Section Thirty-three (33), Township Five (5) North, Range Twenty-six (26) E.W.M., thence West along the North Section lines of Sections Thirty-three (33), Thirty-two (32), and Thirty-one (31), Township Five (5) North, Range Twenty-six (26) E.W.M.; thence West along the North Section line of Sections Thirty-six (36) and Thirty-five (35), Township Five (5) North, Range Twenty-five (25) E.W.M., to the South meander line of the Columbia River; thence Southwest along the South meander line of the Columbia River to the point of beginning, EXCEPTING from such Rural Fire Protection District any and all right-of-way and improvements of the Union Pacific Railroad Company and also any and all rolling stock of such company, and any and all lands or improvement of the United States, Morrow County, the City of Boardman, or any other municipality and any lands controlled by the State Department of Forestry or grazing lands of the United States or the State of Oregon.
