

Double Trouble Marks Beginning Of School Year

School started and the troubles began. On Sept. 8 Reita Sumner driving an empty 30-passenger school bus towards Ruggs to meet Jim Bloodworth's bus, hit a soft shoulder. The bus rolled on the side and then came upright. She continued on to make her run.

When the bus was examined the right side had been heavily damaged and two windows broken out. The bus has been taken in to Portland for repairs which are estimated to cost \$1150. This is covered by insurance. It should be back in the district on Sept. 21.

In the meantime, the spare bus is on that run and is being driven by J. C. Sumner, substitute bus driver, while Mr. and Mrs. Jack Sumner are on a vacation trip.

On Monday of this week it was discovered that the footvalve was broken at the A. C. Houghton School at Irrigon. The district checked all pump representatives for the new or used part.

It was finally located at Richmond, Calif., and is due to arrive by plane on Wednesday and will be installed in time for school to operate again Thursday morning.

Without the footvalve, the school was without water which is not only required for their sanitary facilities but also in the heating system.

ASC Community Committeemen Voted

Farmers and ranchers of Morrow County have elected a total of 40 ASC community committeemen and alternates in a mail election conducted earlier this month, according to David McLeod, Executive Director of the County Agricultural Stabilization and Conservation (ASC) office.

ASC community committeemen assist the County ASC Committee in administering farm programs in Morrow County, such as wheat acreage allotments, feed grain bases, and agricultural conservation cost-sharing measures. They also help keep local producers informed of farm program provisions and regulations.

In addition, the just-elected ASC community committeemen have an important responsibility in the near future in filling vacancies on the County ASC Committee and determining the chairman and vice-chairman for the coming year, McLeod said.

The new ASC community committeemen will convene Sept. 22, at 9:00 a.m. in the Gilliam and Bisbee Building, Heppner, in a meeting open to the public. They will elect one County Committeeman to serve a three-year term and two alternates to serve one-year terms. After the vacancies are filled, the community committeemen will determine which of the three regular members of the County ASC Committee will be Chairman and Vice-Chairman.

Chamber to Hear About Districts

Bob Logan of Governor McCall's office will talk on Administrative Districts and regional government at the noon luncheon Monday, Sept. 21 at the Wagon Wheel Cafe.

The Administrative Districts plan has become quite controversial. There have been a number of officials who suspect these districts would mean the usurping of the power of counties and perhaps cities.

At Monday's Chamber luncheon, Pacific Northwest Bell Telephone Co. people showed movies and a demonstration of a simulated laser. Even computers are now talking, speaking understandable words.

Two successful passes last Saturday netted two touchdowns for the 8-man team. The first one came on a 30-yard pass from Dick Snider to Richard Hamlett. They made two conversion points by passing. The second touchdown came on a five yard pass from Nick Marick. Coach Meyers said he felt that "basically the boys played a good ball game. Their running game needs to pick up a little".

Hepner Has Preview Of Elgin Huskies

With the first of the Heppner Mustangs' eight games a win, the Mustangs are looking forward to this Friday and the Huskies at Elgin at 8 p.m.

"The Huskies have just about the same team as last year and the fans who watched last years game saw that they were tough," Head Coach Ed Hiemstra said.

Coach Hiemstra said that this week he has had the Mustangs' backs working on timing, to cut down on the five yard penalties.

To give the backs a breather, Rory Stillman will be switched from the line to the backfield. Rory will remain in the back field as long as his replacement, Dallas Harsin or Jeff Marshall fill the guard position Coach Hiemstra said.
