Despite many problems and setbacks, four students from Heppner High will attend the high school television show High Q. The students have not been positively chosen yet but will be soon. For those who are not familiar with H.Q. it is a television answer show on the high school level. It is on Channel 4 at 6:30 every Sunday afternoon. It is run on a basis of two halves, each period of 15 minutes. At the half time they interview the teams, where our captain will describe our school. If we win we will go back and compete until we lose or win 5 consecutive times. Each time you win a prize for the school plus honor.

Opportunity has to knock. Temptation stands outside and whistles.
