

VOTE REPUBLICAN

Candidates offered to Oregon voters in this election by the Republican Party are among the most able and experienced leaders it has ever been our privilege to recommend.

Republican candidates work for time-honored principles—of HUMAN VALUES, which emphasize the rights, freedoms and opportunities of the individual, and for fiscal responsibility, which recognizes that no dollar can be spent by government which has not first been taken from citizens.

Under Republican leadership in the executive and legislative branches of our state government, Oregon has taken the lead in environmental control, education, fair employment practices, park and highway development, workmen's compensation benefits, property tax relief and many more issues vital to the State of Oregon.

The strengths and benefits of this nation's two-party system can best be attained by electing more Republicans to represent us in Washington, D. C., Salem, and Morrow County.

Men of HONESTY and INTEGRITY must be in control for GOOD STATE and NATIONAL GOVERNMENT.
