

Boardman Has Seafoods Study

By MARY LEE MARLOW

BOARDMAN — "Buying and Cooking Seafoods" was the subject for the meeting of the Home Extension Unit held Thursday of last week at the home of Mrs. Albert Warnock. The meeting started with a luncheon of seafoods prepared by Mrs. Warnock and the project leaders, Mrs. Mel Allyn, unit chairman, and Mrs. Don Baker, unit vice-chairman. The group was served crabburgers, tuna crunch salad, baked salmon, breaded scallops and shrimp, and Northwest Cioppino. Recipes are available for these dishes.

Seafoods are high in nutrition and low in polyunsaturated fats, and are an important Oregon industry. Main emphasis on cooking is to be sure the product is fresh and not over-cooked.

Area residents may sign up now for a "Defensive Driving" course, to be held in Boardman on the evenings of Jan. 12, 14, 19 and 21, by calling Mrs. Allyn, Boardman, or Mrs. Richard Ryan, Irigton. The lessons will be each two hour sessions, and the fee will be \$1.00 for materials used.

A Diabetic Detection Clinic is tentatively set for sometime in February, and a "Basic Sewing" class is planned, but no date set.

Announcement was made of a work cleanup day at the 4-H building Oct. 24 at 10 a.m.

Mrs. Jerry Meyer will be hostess for the next unit lesson, "Humanizing teaching", Nov. 12 starting at 10 a.m. All Boardman-Irigton area women are welcome to attend.

A lot of good people have DV

There are some in your neighborhood, possibly next door, maybe in your own home. Shocking? You bet. And mighty worrying, too. Because we are getting more and more D. V. people all the time.

How can it be cured? Easily. At the ballot box. Because D. V. means "Didn't Vote." And the medicine for that is to move off your haunches and vote November 3rd.

There are too many measures and candidates that are important to you to be a no-show. Besides, nobody wants to have D. V. anyway.

One of these people must be important to you.
