

DOT'S JOTS

Five Generations
There's five generations in the Connor-Hastings Great grand granddaughter family. Alice Luttrell of Heppner has the honor of being the GREAT GREAT Grandmother. Mr. and Mrs. Claude Gamel are expected up soon with their new Pauline Yvonne to get some five-generation pictures.

These are sign-up days for 4-H. Who is eligible. Any youngster born in 1952 through 1961 is eligible.

M-M-M wish the E. R. Schaefer had more kids. They just sent in renewals for Jack and Doris as well as for themselves.

The kids pictures put up for Halloween were a real treat and a far cry from the usual soapings. We especially enjoyed the green-haired witch that was in Murrays window.

For about 8-9 years I've had this ceramic type little girl doing a curtsy. I've been always "gonna" paint it. This is the year I decided to do it. So I made my way last week to talk to Mary Nikander. I was sure I should practice on something before starting on my little girl. I soon found myself practicing on daisy petals. This was quite fascinating. Too much 4-H going on this week I won't get back over but maybe the next week!

Pumpkin Bread

A good recipe to use for Halloween-Thanksgiving time is this Pumpkin Bread recipe from Velma Toney in La Grande. She sent over a box of goodies to her son, Dennis and Ann Toney and everyone at the shop got a generous sample. So moist and full of spices and nuts!

Pumpkin Bread
1 cup white sugar
1/2 cup brown sugar firmly packed
1 cup canned pumpkin
1/2 cup salad oil
2 eggs unbeat
2 cups sifted flour
1 teaspoon soda
1/2 teaspoon each, salt, nutmeg, cinnamon
1/4 teaspoon ginger
1 cup raisins
1/2 cup chopped nuts
1/4 cup water
Combine sugars, pumpkin, oil and eggs. Beat until well blended. Sift flour, soda, salt and spices. Add and mix well. Stir in raisins, nuts and water. Spoon into well oiled 9x5x3 loaf pan. Bake at 350 degrees an hour and half or until done when tested. Turn onto rack to cool thoroughly.

For all packaging, invest in good quality, sturdy wrapping materials. This small investment can help insure undamaged delivery of valuable gifts and prevent delays which might result if rewrapping were required in transit.

Cary Davis is home from Vietnam for a 30-day leave. He has visited in Heppner. While here he stayed with his uncle and aunt, Mr. and Mrs. Bill Scott with whom he stayed when he attended Heppner High School. He is the son of Mr. and Mrs. Clayton Davis of Pendleton.

Shopping Skills Needed for Holidays

Now is the time for homemakers to develop their shopping skills. Much shopping will be done between now and the holidays. Skill in shopping can help you live as well as you do now but for less money. Or it enables you to spend the same amount of money and live better than you do now.

House wives may ask themselves if they do a good job of comparative shopping on large items, but think the effort is not worthwhile on small ones. Little savings may seem insignificant when taken alone, but not so on things bought over and over again.

There's hardly a family which couldn't save five or ten cents on their buying if they would take the time to do comparative shopping. This could mean a substantial saving over a year's time. When doing this, it is important to compare like quality and grade. One product may sell for less but be of inferior quality. Homemakers should be warned against accepting blindly the old adage that there's economy in large sizes. A LITTLE ARITHMETIC SHOULD BE DONE BEFORE BUYING.

It is important to know the regular prices for items when shopping. If you know the regular prices, then you will know whether "specials" really are special buys. Many shoppers have discovered that what they thought were bargains, didn't always turn out to be bargains.

Melinda Ann's 4th Record Out Soon

Ron Leonnig was in Heppner Monday. He had been to Goldendale to confer about Melinda Ann's 4th record that will soon be coming out.

Three Leonnigs play weekends at Mac's Place in McMinnville. They call themselves, "Melinda Anns". Melinda Ann sings, Mr. Leonnig plays guitar and Roger plays the drums.

Since his marriage, Roger is attending Portland Community College and barbering on the side.

Mr. Leonnig is barbering at Newberg and Mrs Leonnig is head cook at McMinnville High School. The Leonnigs left Heppner about two years ago when they operated the Wagon Wheel.

Home Extension Unit Meeting Held

"How to be a better leader", was the presentation by Mrs. Norman Clow at the Heppner Home Extension Unit meeting Monday at the home of Mrs. Frank Connor.

She presented ways to organize material, the demonstration equipment and how to present it in an interesting and factual way. Each member participated then in a review: Listen, Learn to Listen. Listen to Learn. There's action communication by body and behavior. We can talk 125 words a minute but we can listen 400 words per minute. Different sections of the country have certain characteristics. The South is known for flowery speeches and Texas for exaggerated assertions.

Following the potluck luncheon, members had a sampling of Christmas confections and an exchange of recipes.

The next meeting will be the ACWW lesson on "Foods and Culture of the Local Indians". The meeting will be at Mrs. Clow's home. There will be guests from the Umatilla Indian Reservation.
