Bench Chatter

By KEVIN DICK

Few words were said in the locker room Friday night, by any member of the team. A couple of minutes earlier the Horsemen were falling to a 57-62 defeat from the Pirates of Riverside.

Coach Clough said that maybe not the importance of getting ready for a game Monday at practice instead of after the National Anthem will be realized.

Mustang shooters were extremely cold as only six Hoopsers scored points. Two scorers combined for a total of 6 points and one starter even failed to score. The Mustangs will have to improve on this if they are to lead the district.

The Horsemen, who are new through with non-league games, will indeed have to get more serious—now all of the games count.

Heppner will host the Condon Blue Devils Friday, Jan. 15. Heppner won on the last meeting, at the Christmas Tourney, with a commendable 80-50 victory. Then on Saturday Umatilla will battle the Mustangs at Umatilla. This will be Umatilla's first meeting with Heppner.

Mrs. Ola Ruggles left the day after Christmas to spend the rest of the holidays in Lebanon with her granddaughter and family, Mr. and Mrs. Wayne Kenyon. Enroute home she stopped to visit her brother-in-law and sister, Mr. and Mrs. Charles Galic.

Dave Hall Named OSU Student Prexy

(Continued from page 1)

But the Heppner product will use those structures, which he calls channels, to get things done in student government.

"We have to use what we have at the present time," Hall says. Yet that doesn't mean Hall won't be looking to the future, eyeing some changes.

"I feel very strongly that students would be better off with changes," Hall says.

To get change, Dave Hall wants to get students involved in student government. That will be his main aim while in office.

After all, it was because Hall became involved in the first place that he is in a position to urge others to become involved.

And it might all be because he came from Heppner, where he could have the initial opportunity.

Services Held For Mrs. Beck

Funeral services were held in Condon Saturday afternoon for Anne Leah Beck. Mrs. Beck a Registered Nurse had been employed at Pioneer Memorial Hospital for the last 2½ years. She died in Portland on Jan. 6.

Memorial donations may be made to the American Cancer Society.

Anne Leah Coats was born Sept. 2, 1919 at Rufus, the daughter of Claude and Ella Coats. She took her training and graduated from Sacred Heart Hospital School of Nursing at Spokane in 1941. She had worked at The Dalles Hospital, the Condon Clinic and the Condon Nursing Home and was employed at Pioneer Memorial Hospital when she became ill.

Coats of The Dalles; a brother Chester C. Coats of Wasco; four sisters, Mrs. Carl Rutsch of Dayton, Mrs. Elton Eakin of Grass Valley, Mrs. Floyd Haskell of Portland, Mrs. Harold Melzer of Moro and 22 nieces and nephews.

Cake Decorators Off To A Good Start

The Basic Cake Decorating course being offered in Heppner had 14 enrolled by the second lesson to guarantee the continuation of the class. The class is part of the Blue Mountain Community College evening schedule and is being taught by Mrs. Schmuckley at Heppner High School.

At the first session students received the list of tools they would need and the second session they learned how to make the all important icing. Mrs. Schmuckley demonstrated making a border and shell design. The class then practiced.

Signing up for the course are Barbara Jessmer, Colleen Gallier, Monica Jones, Sharon Mahoney, Landra Gerrard, Diane Gerking, Peggy Johnson, Phyllis Piper, Mildred Davidson and her son, Greg Davidson, Jana Lee Scott, Lynn Haguewood and her daughter, Kristi Haguewood, Judy Osmin and Cora Flaiz.

Mustangs Drop Friday Game To Pirates

By DALLAS HARSIN

Last Friday night was probably the best night for the number 3 ranked Heppner Mustangs to have an off night since it was a non-conference contest. The Mustangs hosted the Riverside Pirates and when the final buzzer rang the Mustangs had seen their second loss of the early season.

La Verne Van Marter maintained his 23 point average, but only shot 32% from the field. He got 14 points from the field and 10 from the gift line.

At the end of the first quarter the Mustangs were behind by two points and at half-time were only behind by one. In the third quarter the Mustangs led by four points, but in the fourth quarter the Pirates came back to life and scored 20 points to the Mustangs' 11, and this made the score 62-57, Riverside.

Even though the Mustangs only lost by five points their shooting percentages didn't show it. Riverside only had to put up 49 shots from the field to make 42 points. The Mustangs had to put up 66 shots for 38 points. At the gift line, Heppner came closer to Riverside in the line of percentages. Heppner shot 54% to Riverside's 76%.

Baker led the Pirates in the scoring department with 26, followed by Frederickson with 12. Van Marter led the Mustangs with 24 and Watkins followed with 11 points.

The Mustangs weren't outplayed, they were just outscored.

On Jan. 9, Ione played Helix at Helix and lost, 60-44. Helix led in rebounding 40-35. Ione made 27-57 from the field for a 370 percentage and Helix made 22-67 for a 333 percentage.

Leading rebounding for Ione was David Warren with 13 and Rex Wilson had 8. Ione had 30 turnovers and only made 2 out of 11 at the foul lines.

Coach Dockter said, "We played three good quarters and then got careless making a lot of

turnovers in the last quarter." He added, "Potentially, we have a good young ball club. The starting team consists of four sophomores and one junior. We make a lot of mistakes and mental errors. If we can ever overcome this then I believe we will do okay."

Test Dates Set For Summer Jobs

Test dates for competitive summer jobs in Federal agencies were announced by the U. S. Civil Service Commission.

The examination will be given on three test dates at more than 1000 locations. Those applying by Feb. 3 will be tested March 13. Applications post-marked after Feb. 3 will not be accepted.

This includes working in the Umatilla National Forest.

Again this year there is a provision for students with at least two years of college to qualify for summer employment on the basis of understanding scholastic achievement without taking the written test.
