PRESIDENT'S MESSAGE

As another "National Jaycee Week" approaches, we feel it is time we remind ourselves and our community as to the purpose of the Jaycees. There are many ideas as to the function and what the Jaycees actually do; their primary purpose is to develop leadership training through community involvement.

To gain the training the Jaycees are obligated to do; the State Jaycees have outlined a program that gives each chapter and individual a challenging goal. First is chapter management and individual development; next membership; state, regional and area activities; community involvement; activity records; participation in state projects and visitations.

The first activity, chapter management and individual development, involves planning the years activities, a planned budget and an organizational structure. Leadership training instruction and leadership training through practical experience is listed. Practical experience can be gained through chairmanship of a project such as sale of rodeo concessions or a get out to vote campaign.

As everyone knows, it is necessary to have an active membership program as new members are necessary to keep any club strong and active.

Many state, regional and area meetings are held throughout the year to further the members' knowledge and also give the members an opportunity to consult other chapters on their functions.

The Morrow County chapter is exceptionally active in the community involvement area as we have conducted projects such as installing the slide at Cutsforth Park, school safety, Little League, fair booth, litter cleanup, Call Santa, Toys for Christmas and Teen Dances. More community improvement projects are planned for the future.

Of course any organization or business needs adequate records to function properly. Records are prepared and kept on all projects and serves to further the members' education with research.

State projects can be anything from government involvement to honoring outstanding individuals within the community.

Last but not least is visitation to other chapters. By visiting other chapters one gains knowledge on how a chapter should function and new projects to improve one's own chapter and community.

All chapters within the state compete to see how well they carry out the assigned work load. Presently Morrow County stands first in our district and 16th of the many chapters in the state. We feel that our chapter is doing a fine job and hope to present a challenging assignment to anyone wishing to join. We meet most every Wednesday at 8:00 P.M. at the Morrow County Gun Club and extend a hearty invitation to anyone wishing to join.

Sincerely,
 Morrow County Jaycees

**The
 JAYCEE CREED**

WE BELIEVE:

That Faith in God gives Meaning
 And Purpose to Human Life;
 That the Brotherhood of Man
 Transcends the Sovereignty of Nations;
 That Economic Justice Can Best Be Won
 By Free Men Through Free Enterprise;
 That Government Should be of Laws
 Rather than of Men;
 That Earth's Great Treasure Lies
 In Human Personality;
 And That Service to Humanity
 Is the Best Work of Life.
