

MR. and MRS. GENE HELIKER

Bush-Heliker Marriage Performed In Seattle Church

The First Christian Church in Burien, Wn., was the setting for the Jan. 23 marriage of Miss Nancy Kathleen Bush to Eugene Darrel Heliker.

Parents of the couple are Mr. Jack Bush of Salem, Mrs. Orville Cutsforth of Heppner and Mr. Don Heliker of Ione.

The informal wedding ceremony was performed by Rev. Dunkin in the presence of parents and close friends of the couple. The altar was decorated with a bouquet of pink and white gladioli.

Attendants included the bride's sister, Mrs. Colleen Vego of Palo Alto, Calif., who wore a pink and blue organza print and Tim Driscoll of Corvallis and Vic Van Winkle, friends of the bridegroom.

The bride, given in marriage by her father, wore a white satin floor length gown fashioned with an empire waistline, and a chapel train. In her hair she wore white and yellow flowers and carried a cascade bouquet of baby mums, daisies and baby breath.

For her son's wedding, Mrs. Cutsforth wore a green knit suit with brown accessories and a corsage of pink mums.

Out-of-town guests attending the ceremony were Mr. and Mrs. O. W. Cutsforth, Lisa and Donna of Heppner; Mr. and Mrs. Don Heliker and Mrs. Vida Heliker of Ione; Mrs. Minerva Denslinger, Mrs. Arlene Baldwin and Mr. and Mrs. Scott Baldwin of The Dalles; and Jack Bush, Mrs. Jessie Michaelson and Mrs. Marjory Reines of Salem.

Reception Follows
A reception honoring the couple was held in their new home with Mrs. Rick Seaborg of Seattle serving the cake and Mary Williams and Sue TenPas pouring the punch. The gifts were opened by the bride's nephew, Terry Vego and Mrs. Seaborg's daughter.

The couple reside in Seattle where the bride works for the Telephone Company and the bridegroom is the leader of a band, "Morning Reign" which is playing at the John John Club in Seattle for four more weeks. The band's headquarters is in Seattle. He previously attended Willamette University for two years after graduating from Heppner High School.

That evening, the bridegroom and his band returned to work at the John John Club which is a large supper club. Some of the wedding guests attended their show, which had a large turnout and spent a very enjoyable evening.

DOTS JOTS

I love traditions and a new one to me is the American flag and an evergreen tree on the final beam as it goes in place on a steel building. Anyway that's what they said and did for the last beam going into the First National Bank Tower to be completed in Portland in 1972 and will be Portland's tallest building. Supposedly Long may it last as the American Flag and the evergreens?

It was about noon before the Groundhog saw his shadow Tuesday. The day dawned with clouds, 32 degrees and a cold wind, a far cry from the warm spring like days we've been having. Personally I hope we have a bit more winter. I like winter when you're supposed to have winter and then spring Those bulbs that are sending up shoots and the leaf buds swelling on the fruit trees should be slowed down!

History Needs More Pictures

Giles French writes that he has given the copy of the "History of Morrow County" a final editing and made one or two corrections and it is now wrapped up for deposit in the Morrow branch of the First National where Giles says "It will not burn unless there is a very hot fire. In any case I have some copies at home. I doubt if both burn at once."

Giles WANTS MORE PICTURES. He wants pictures of the 1918 fire and pictures taken since then. He has only 50 pictures and would like to have 50 more. Anyone having pictures they would loan for the publication is asked to call the Gazette-Times and Mr. Giles will call when he comes over or the pictures can be left at the G-T.

Anyone wishing to have a part in this publication may leave their \$25 contribution at the Bank of Eastern Oregon with Gene Pierce. This guarantees each contributor a copy of the book.

Word from Ann Haberlach

In a paragraph from a letter from Ann Haberlach, daughter of Mrs. W. W. Weatherford she writes concerning the disturbance at the University of Arizona. Ann is there as graduate student in Anthropology.

"So much clanging going on around here, I hope any news of campus disturbances have not upset you. No. 1 it is a local confrontation concerning "street people" i.e. young panhandlers; some of them apparently enjoy a fight for its own sake (if they are the one's fighting rather than the more probable, "outside agitators") No. 2. I have not even gone near the trouble area when trouble is likely, let alone, when trouble is occurring. The city was declared in a state of emergency, over the weekend. Everyone seems to be over-reacting!"

Department Officers Visit District No. 6

Mrs. Roland West, Department president of the American Legion Auxiliary told the members at the District meeting held in Heppner Friday evening to "tell the Auxiliary story". This means telling about Girls' State, the Americanism essay contest, the work done at the Veteran's Hospital and what is done with the Poppy money.

Avis Lloyd, also a Department officer, stressed membership. She praised Ione who was first in District 6 to reach goal by Nov. 15. They were second in the state. District 6 has 97.8 percent of goal from 23 units in the district. She urged the units to continue signing up members in an effort to have goal by Feb. 19 when the National President comes to Oregon.

Mamie Severins, District 6 president, reminded units it would soon be time to distribute the Americanism essay forms, applications should be submitted by March 15 for Education and Nurses' scholarships.

The District Girls' State tea will be held at Athena on the first Sunday of May.

The Department president reported there had been 76,125 Prisoner of War letters received. She urged Auxiliary members to add their letters to the campaign.

Members from Mission, Athena, Ione, Hermiston and Heppner Posts and Units were represented at the meeting. The Legion members met upstairs with the Department Commander and joined the Auxiliary in the dining room for refreshments at the end of the meeting.

Mrs. Riley Munkers presented the visiting officers with gifts from the Heppner unit and Mrs. John Eubanks from the Ione unit.

Mrs. Lee Stone is now home convalescing from major surgery at the University of Oregon Medical School at Portland. By a rare coincidence, her student nurse was Sheryl Britt, formerly of Heppner. Mr. and Mrs. Stone's son, Joey, has been ill in Pioneer Memorial Hospital, too, but he was expected home early in the week.
