Lone Garden Club Hears Pointers

Defining perennials as "plants that live from year to year," Mrs. James Driscoll reported on "Perennials to Enjoy," at the Lone Garden Club meeting Feb. 10 at Mrs. Fannie Griffith's home. "Perennials are a standby for amateur gardeners for maintaining a continuous display of color from spring 'til late fall. For more effective display, 3 plants of the same perennial should be grouped together," Mrs. Driscoll mentioned perennials in the seasonal gardens, naturalized plantings, wild flower gardens and rock gardens. In today's vernacular, "a rock garden is doing your own thing, as long as it suits you and you like it—do it!"

It was announced that the Lone Garden Club won first place in Blue Mt. District 10 for their yearbook. This will be sent on to be judged at State level with yearbooks from the other 16 districts. Winners will be announced at Portland at the State Convention in June.

Believing that man holds the keys to the future of all life on earth, National Council of State Garden Clubs, Inc., through local member Garden Clubs, has begun what may be the most important and far reaching program ever undertaken by any national organization. The Garden Clubs will work to place in the hands of every teacher in every school in the United States, the appropriate volume of "People and their Environment," a series of teachers' guides to conservation education.

Mrs. Fredrick Martin, president, appointed Mrs. Gar Swanson, Mrs. Lee Pettyjohn and Mrs. Harold Huber to investigate the feasibility of getting these guide books into our local schools.

Members brought and displayed the following spring flower arrangements from their gardens: violets, snowdrops, Christmas rose, crocus, daffodils, forsythia, pussy willows, and jasmine. Perhaps Mr. Groundhog didn't see his shadow after all!

Mrs. Martin showed colored slides of perennials she had taken at local gardens, the John Leach gardens in Portland and of local wildflowers. To keep members on their toes she slipped in a few annual flower slides. Another tour of Mr. Leach's Sleepy Hollow Gardens is planned for this spring.

During refreshment time 15 members present and one guest, Mrs. Jim Barclay sang happy birthday to Fannie Griffith, the hostess and presented her with card signed by members.

The March 10 meeting will be held at the home of Norma Rea with Lou Crum as assistant hostess. The program on "Colchicum" will be given by Director Elaine Dallas of Pendleton. Members are to bring for exhibit and judging, spring arrangements.

WHAT'S COOKIN

Unbeknownst to the other one, Theda Lowe and Zeldia Prindle both brought Red Velvet Cakes to the All Saints' coffee hour after church Sunday. There's some difference in the recipe that we'll check into later but they were both delicious because I had a taste of both! Wouldn't have thought so much about it but after I tasted them I wished I'd cut the recipe from the Oregonian last week. This is Theda's recipe. She says she has had it for a long time and the frosting recipe is so different you can hardly believe it!

Theda's Red Velvet Cake
 1/2 cup butter (Oleo)
 1/2 cup sugar
 2 eggs
 1 tsp. cinnamon
 1 tsp. vanilla
 1/2 tsp. salt
 3 tbsp. cocoa
 2 tbsp. red food coloring
 2 tbsp. water
 1 2/3 cup cake flour
 1 1/2 tsp. baking powder
 1 cup buttermilk
 1 tsp. vinegar
 1 tsp. soda

Cream butter and sugar, beat in eggs one at a time, add cinnamon, vanilla and salt. Mix cocoa with red food coloring and water. Add to creamed mixture. Sift flour with baking powder and add alternately with buttermilk starting with dry ingredients. Dissolve soda in vinegar. Fold carefully into cake mixture. Bake in two 9" pans at 350 degrees for 25 or 30 minutes. White Velvet Frosting
 5 tbsp. flour
 5 tbsp. sugar
 1 cup milk
 1/2 cup softened butter
 1 cup granulated sugar
 1 tsp. vanilla

Mix the 5 tablespoons of flour and sugar, stir slowly into 1 cup of milk. Cook stirring constantly until mixture is very thick. Boil 1 minute. Chill covered, may be in freezer until ice crystals form. Cream sugar and butter until very fluffy. Slowly beat in by tablespoons the chilled milk mixture, add vanilla. If thickened milk mixture is chilled enough, this frosting will be very fluffy.
