

Kinzua Girl Tells Of Italian Trip

By VIRGINIA KELSO

KINZUA — Mrs. William Mai and Miss Marilyn Mai left last Tuesday to spend a week at Broadbent and Langlois. Miss Mai was speaking at churches in that area on her experiences in Italy with Operation Mobilization.

This Thursday, the Good Neighbors Club will have their regular meeting at the Kinzua Community Church annex at 1 p.m. This is for all the ladies of the community.

4-H Stitch Dropers

On Jan. 25, the Stitch Dropers met at our leaders house, Judy Hubbell. The meeting was called to order by President Andrea Campbell. Mary Graham led both the 4-H pledge and flag salute. There was no old business nor new business. The meeting was adjourned, so we knitted for a while, then we had refreshments and left.

Camp 5 Card Party

The Camp 5 Ladies pinochle club had their regular card session last Tuesday night at the Camp 5 Community Hall with Rose Hardwick as hostess. High was won by Evelyn Luper, low by Carol Thomas, and pinochles by Judy Warming and Betty Murdock. Others playing were Sharon Bell, Sue Mattison, Rose Merry Nelson, Carol Norris, Doris Stubblefield, Terry Todd, and Cindi Weaser.

Mr. and Mrs. Dale Jones went to Heppner Wednesday on business and then on Friday they went to Portland to spend the weekend on business and visiting with friends and relatives.

First Aid Safety Class

Bill Bolen, representing the State Accident Insurance Fund, showed safety films at the First Aid class last Wednesday evening at Camp 5. In addition to the members of the regular class Mr. and Mrs. Phil Kelson and Mike Todd attended.

Mr. and Mrs. Don Hardwick and Donny went to Portland Friday on business and to visit with Genine Hardwick.

Mr. and Mrs. Earl Norris, Mr. and Mrs. Herschel Murdock, Mr. and Mrs. W. J. Bell, Jr. of Portland, and Mr. and Mrs. Bob Jewitt of Condon went to The Dalles Friday evening to visit the Swap 'n Swing Square Dance Club.

Alphabet Stew At Neighborhood Center

By JUSTINE WEATHERFORD

U. I. (unemployment insurance) claims are processed in Heppner every other Thursday when a claims man from the State of Oregon Employment Division office in Pendleton works at Heppner Neighborhood Center two hours before noon and one hour after noon. He comes on the 11th and 25th days of February.

The OSES (Oregon State Employment Service) sends an especially trained and skillful counselor, Mrs. Iris Howell, from Pendleton to Heppner every other Monday morning. Mrs. Howell does many things. She works with MDTA (Manpower Development and Training Act) and with the YOC (Youth Opportunity Corps). She does pre-vocational and educational counseling and administers various tests, (GATB), the general aptitude test battery. Mrs. Howell also encourages GED (General Educational Development) groups and helps them arrange for tests so that these individuals can complete training which is equivalent to high school education and which qualifies them for higher education or prepares them for better employment.

Mrs. Howell and Mrs. Pat Brindle, the Heppner Center coordinator, have helped quite a number of needy youths find employment through the YOC (Youth Opportunity Corps) and the Mainstream program. WIN (Work Incentive) and RISE (Reach Independence through Self Employment) are not presently active in our county, but have been very successful in Umatilla County and may become possible and could be worthwhile here. They are public welfare programs and have been carried out by welfare offices with some assistance from the extension division (county agents).

Another very important agency, The Social Security Administration, has a representative in the Heppner center the second Friday of each month. He is glad to help anyone already on social security or anyone who is approaching the time for application for social security. He is able to explain that program and help persons obtain information about possible benefits. He was here on Feb. 12.

Miss Virginia Meck of Portland recently visited here with relatives, Fay and Gene Ferguson. She enjoyed a showing of Fay's pictures of her trip last year on the famous "Delta Queen", a well-known midwest and southern river packet.

Mr. and Mrs. Norwood Watts and sons returned Wednesday from a few days trip to Windsor, Calif., where they were called by the serious illness of Mr. Watts' father.

Mr. and Mrs. Claude Sizemore left Friday afternoon to spend the weekend at their home in Milton-Freewater.

Mrs. Dempsey Simms and Bill McMinn went to The Dalles Wednesday to bring home Mrs. Simms' son, Mike Nelson from The Dalles General Hospital where he had been recuperating from a broken leg.

"Come As You Are" Party

Mrs. Virginia Kelso was the hostess Wednesday night to her pinochle club at her home. High was won by Virginia Sitton, second high by Fran Brahm,

and the pinochles by Margaret McConnell and Marilyn Bailey. Others playing were Marj Borling, Lily May Nistad, and Lavelle Jellick.

The Friendship Card Club had their regular party Wednesday evening at the First Grade Room with Dinah Jackson as hostess. The members came "as you are" and high went to Sue Mattison, second high to Sharon Bell, and the pinochles to Deene Reid and Rose Merry Nelson. Others playing were Pat McMinn, Roberta

Conlee, Melba Mitchell, Becky Wright, Ruth Ann Carey, Rose Merry Nelson, Cindi Weaser, Sharon Smiley, and Deena Reid.

Louis Lorengel went to Portland Friday to have a medical checkup. He was accompanied by his sister-in-law, Mrs. Leonard Mudd of Richland, Wn. and Ldee Lorengel.

Mr. and Mrs. Howard Rice and son Mike and Mrs. Don Slinkard were business visitors to The Dalles on Saturday. Also in The Dalles Saturday were Mr. and

Mrs. Daniel Bell and son John. Mr. and Mrs. Jiggs Bowman and daughter Cindy went to Fort Lewis, Wn., Friday to attend the graduation of Pvt. Joseph Bowman from basic training.

Mr. and Mrs. Forrest Logan and family of Salem were weekend guests of Mr. and Mrs. Clarence Woods and son Max.

Mr. and Mrs. W. J. Bell, Jr. and family of Portland spent the weekend visiting with Mr. and Mrs. Herschel Murdock.

Jerry Hoguewood, Pendleton, has received special recognition as the outstanding man in the state for "distinguished service to his clients" by Standard Insurance Co. This is the 4th such award he has had this past year. Jerry is a Heppner boy graduated from EOC. He is married to the former Judy Bogue of Prairie City. They have two children, Travis and Tera.

The March of Dimes reports that birth defects are the nation's second greatest destroyer of life—claiming an estimated half million before birth and killing 60,000 children and adults each year. Cardiovascular disease is the No. 1 killer.

How much a bushel?

You spend a lot of time and money to work the soil, plant and fertilize the wheat, and maintain your equipment. You get a good year with near perfect weather for good growth. In fact, everything is right.

Except your herbicide.

So you end up paying through the weeds for smaller yields. Poorer grades. Less profits. When you could be bringing in a higher grade. Because you're using a more effective, more selective, more profitable herbicide.

Like Bronate.

Bronate is more effective because it kills a broader range of broadleaf weeds. Including the six specific weeds that are the biggest problem for wheat

farmers here in the Northwest. Which means you kill Tarweed and Gromwell and Henbit and Dogfennel and Crowfoot. What's more, you don't leave Purple Mustard or any of the mustard family around to rob your wheat of moisture and nutrients like one leading herbicide does.

Bronate is more selective because it doesn't get rid of the wheat while it's getting rid of the weeds. It won't damage the crops or carry over in the soil like another leading herbicide.

Which is what makes Bronate more profitable. Because it brings you a higher yield. A better grade. And more money. It's as simple as that.

All you do is apply Bronate post-emergence. The earlier the better after your crop has reached the 3-leaf stage. Then sit back and watch the wheat grow. Nice and healthy. Weed free.

What it adds up to is this: You only pay \$3.45 an acre for Bronate. To get rid of all the broadleaf weeds. To be kind to all the wheat. To bring in a better grade. And to get up to 12 to 20 bushels more per acre. Which is a pretty good investment for the right herbicide.

Don't you think so?

Bronate:
We want to help you sell more wheat.

See your supplier or Rhodia Chipman representative, or write: Rhodia/Chipman Division, 6200 N.W. St. Helens Road, Portland, Oregon 97210
