Extension Gals Prepare 'Sweets' For Center

By BIRDINE TULLIS
"Hello Heppner" Extension Unit members will be serving "Sweet samples" on Abundant Food distribution day, March 11 at the Neighborhood Center in Heppner. Cookies and candy will be in the Spotlight! Candy will be made of peanut butter, corn syrup and powdered milk - cookies made of cornmeal, bulgar, and other unusual things will be featured. Claude Hughes, chairman of the unit will be in charge, assisted by others of her group. They hope to show that abundant foods can be used in imaginative ways to add to family nutrition. Recipes and "how to do" hints will be available.
