Anniversary Plans Told for The Hubert Wilsons

Big things are being planned for the 25th wedding anniversary of Mr. and Mrs. Hubert Wilson. Their daughter, Mrs. Jon Hyde of Camas, Wash., is here this week working out details for an Open House in her parents' honor to be held March 20 from 2 to 4 p.m. at their home, 440 W. Riverside. All friends and relatives are invited.

Mr. and Mrs. Wilson left Friday for a second honeymoon. They are expected back in time for the Open House. Sunday evening they called home and at that time they were at Santa Rosa, Calif.

Mrs. Wilson was Faye Perkins, daughter of Mr. and Mrs. Gayle Perkins of Dufur and Hubert was the son of Mr. and Mrs. Austin Wilson. They both were from Nebraska and their families were long time friends. Their daughter says, "It was while Hubert was in the service that they began writing to each other."

They were married March 16, 1946 at the Dufur Assembly of God Church. Performing the ceremony was Bunell H. Scott. Their attendants were Thersia Enright and Robert Taylor. They went to Eugene and Newport for their honeymoon.

They lived at Blalock for a short time then moved to Heppner. Hubert has worked for Case Furniture, the Heppner Police Department and has been at the Post Office for 22 years. Their daughter Rogenia graduated from Heppner High and then went to Portland where she graduated from Beauty School. She is married and she and Jon have two children, Michelle, 3 years old and Michael, 1 year old.

While Rogenia was still at home, the Wilsons went through the Holt Adoption Foundation and adopted Clayton and Juanita before they were either one a year old. They are now both 13 years old. Rogenia remembers how delighted she was to have a brother and sister.

Mrs. Wilson sews and knits. She formerly worked for Case Furniture and has worked for Columbia Basin for seven years.

Both of the Wilsons have been active in their lodges, Masons, Eastern Star and Rainbow, the Elks lodge and the American Legion and Auxillary. They like to rock hound, like to bowl, hunt and fish and spectator sports.

While they are gone their daughter has brought Michelle and Michael up here to be with Clayton and Juanita. They are excitedly making preparations for the big day Saturday!

Red and White Valentine Wedding Chosen by Bride

Sharon Mae Cantin, daughter of Mr. and Mrs. Merlin L. Cantin of Heppner was united in marriage to Lynn Edward Withers on Feb. 13 at the First Evangelical Church of North America in Portland. The bridegroom's parents are Mr. and Mrs. Homer D. Withers of Portland. Rev. Robert L. Morris officiated with Ron Hotrum assisting.

Sharon, given in marriage by her father wore a wedding gown made of Chantilly lace fashioned on empire lines with slight train. Her fingertip veil fell from a cluster of seed pearl flowers. Her bridal bouquet was of red and white roses and white carnations centered with the corsage she wore for going away.

Sharon's sister, Mrs. Linda Warneke of Havre, Mont., was matron of honor. Linda Withers, the bridegroom's sister, and Vickie Johnson were bridesmaids. They all wore red velvet dresses made on Empire lines. Each had a white lace panel down the front and around the hemline. They carried heart shaped nosegays of red and white carnations.

Tom Nebauer was best man and ushers were Les Cantin, the bride's brother and Tom Girran.

Shirley Hulko was the soloist. She sang "If I could Tell You" and "Because" accompanied by Bethel Unruh. The arrangements of red and white carnations used in the sanctuary were centered with a large red candle.

Reception Follows Mrs. Janet Paplow served the brides' cake at the reception held in the church social room. Kathleen Paplow served at the punch bowl, Mrs. Judy Cantin served coffee and Mrs. Violet Brugato tea. Pamela Cantin, the bride's sister, was in charge of the guest book. Nancy Brugato and Kathy Morgan arranged the gift table.

For traveling down the Oregon coast, the bride wore a lavender knit dress. The young couple is at home at 817 I Street, Marysville, Calif. The bridegroom USAF is a dental technician.

Prior to leaving for Portland to complete final plans for the wedding, Sharon was honored with a Farewell party and surprise shower at the Wagon Wheel.

Gifts were piled high on the table decorated with red candles and a single red rose. Letters on the red and white cake said, "Goodbye and Good Luck". Sharon made many friends in Heppner this summer when she was employed at the Wagon Wheel.

DOTS JOTS

Thought Provoking With spring approaching, nature's relation to man and the total interdependency is reviewed and renewed. Art is an important reminder of this relationship, not only philosophical but in the tangible results of a practiced craft.

Man draws from the vast reference nature affords for colors, forms, and the various materials he employs to achieve an effect. The potter uses the earth's clay, the painter nature's colors and the photographer, light and form.

Picture an art exhibit in the year 2001 with a piece of pottery made from clay strewn with crushed disposable soft drink cans, the painter's canvas done in smog gray hues and the photographer's totalling black print. Our esthetic values must surely change with our environment's decay.

My apologies to the Harolds... the Irwins and the Becketts. I gave the Irwins the Becketts' daughter in a recent story.

This is apology week... this time to Rose Marie Buschke. It should have been she and not Grace who has been active in TB and Health and Red Cross.

Biggest congratulations to Jean Gilliam of the Condon Globe Times. She won a first with an editorial and feature story at the Oregon Press Women's Conference last weekend at Beaverton.

Last year I rode down with her and this year she rode down with me. Since it took her two years to enter the contest, hopefully I'll get in something next year. However I saved some of my "best" all through this year and then the deadline got by me. I especially liked the picture of Princess Jeri Krebs when she's rolling her eyes trying to decide whether to go airline stewardess or stay with her horse! I had a couple of editorials that the Oregon Journal had reprinted that I thought I'd enter, along with a couple of Dot's Jots and a feature story or two.

The program was exceptionally fine this year but the meals were not. We were privileged to tour the Oregon Primate Center. It is almost uncomfortable

to see how "human" those monkeys are.

It makes me feel good when the "skeptics" come out wrong. Like on the Diabetes Detection Clinic. The number who took the free blood tests in Heppner, Ione and Boardman far exceeded even the expectations of the optimistic.

The good part of it is that each person tested will receive a report concerning the blood test. Then it is up to the individual to do any follow up that is necessary.

French-Wood Nuptials March 27
