

Over The Tee Cup

"Hello" from the Tee Cup—a might early for golf news, but there are a few announcements that will be interesting to those who golf.

A meeting of the Willow Creek Country Club was held in March. The following officers were elected: President, Ed Hiemstra; vice president, Bob Jensen; Clista Venard, secretary-treasurer, Board of Directors, Carol Kerr and Dale Boner. Sounds like a good working group.

The girls of the golf course met at Hazel Mahoney's Wednesday, March 25 to get their activities going. Instead of having a president, Vi Lanham and Hazel Mahoney were elected co-chairmen of the girls' organization, Corlies Boner, secretary, and Helen Schaffitz, treasurer, Dee Gribble, as she has been for so many years, was appointed Handicap Chairman.

A schedule for what gals serve on what Tuesday for managing the play and for club house duty will be worked out soon and be mailed to those names who are on the list. Watch for yours—put it on your bulletin board—then you can keep track of when your turn comes and play will run according to schedule.

The Spring Cleaning Day for the Club House is planned for Tuesday, April 3, at 10:00 a.m. All cleaning materials will be furnished—so just get yourself down there and that is all that is necessary. If the weather is sunny, bring a sack lunch, and golf will be played after the work job is done and lunch is eaten.

A new idea was brought up for ladies who belong to the Golf Club—but do not play golf—and that was for them to play cards in the club house while the others are out playing golf. In this way, these ladies can join in with the other members and have a good game of cards and feel they are part of the organization. Details of this will be worked out soon.

Motel Praises FFA Boys' Conduct

In these days of negative reports of rebellious youth, readers should enjoy this letter recently received by Hal Whitaker, FFA advisor from the manager of the Plaza Motel in Bend after the Heppner boys' stay during the State Convention:

Dear Mr. Whitaker:
I have a dual purpose for writing this letter. First, I want to compliment you on the well-mannered young gentlemen of Heppner FFA. I feel very proud of the fact that these boys will be our future leaders of the United States of America.

I enjoyed them immensely and hope to see all of them in the near future.

Second, one of the boys left his wrist watch in Room 16. If they will let me know where to mail it, I will be happy to send it by return mail.

Thank you for having made your reservations at our motel. It was an honor to have them as our guests.

Sincerely,
Mrs. Muriel Kelley, manager
