Minister Talks To Heppner C of C

President Gene Pierce announced at Monday's Chamber of Commerce meeting at the Wagon Wheel that the Morrow County History will be ready for proof reading next week. It is to be printed and delivered by the publishers about Memorial Day.

Next Monday
Next Monday's program will be the long-awaited talk by Allen Tom who has a huge chicken raising operation in The Dalles area. It is understood Mr. Tom has contracted 8,000 acres of wheat this season to feed this big flock.

Ministers
The Rev. Don Johnson of the Heppner Christian Church presented a program telling about the South Morrow Ministerial Assn. This group is open to all congregations' ministers of the area.

Members at this time are the Rev. Rudy Mensch of Hope and Valley Lutheran Churches, who is chairman; vice chairman is the Rev. Ed Cutting of the Methodist Church; Rev. Don Johnson; the Rev. Don Burwell of the Assembly of God Church; Don Hall of the Seventh-day Adventist Church who is secretary and treasurer of the Association; the Rev. Dan Thompson, pastor of the All Saints' Episcopal Church; Floyd Everhart, Nazarene Church; Father Raymond Beard of St. Patrick's Catholic Church; the Rev. William Arthur of the United Church of Christ of Ione; Mr. Paul Warren of the Church of Jesus Christ of Latter-day Saints.
Rev. Johnson explained that the group is cooperating on a voluntary basis for the good of the community and the churches. They cooperate in union services such as the World Day of Prayer; the Good Friday services; Easter Sunrise services.

Members of the Association share services weekly for the Pioneer Memorial Hospital nursing home.
The drug education program now underway in the county is part of their cooperative effort to benefit the entire community.

The group is currently studying the FISH program that may be adopted in the county. This is a cooperative effort to help allay hunger on an emergency basis, and also to help solve other emergency problems of the needy.

Rev. Johnson thanked businesses and individuals for their reserving Wednesday nights for church services.
Pastor Mensch told of their work for the hospital and thanked the community for their kind cooperation.

Orville Cutsforth displayed a small wooden carved chain. He said that was all the timber was good for in the Hell's Half Acre country. He had wanted to deliver the wooden chain to his friend, Phil Mahoney but the latter was not present, so he presented it to a grandson.

Cycles Damage Track

Motorcyclists have been driving around and around the track up at the high school. While this may be an ideal place for this spring activity it is playing havoc with the track. The boys practicing every day on the track would appreciate it if the motorcycles would stay on the roadway.

RED CROSS First Aid chairman Bettie Doherty presents an Advanced First Aid card to R. B. Cogburn.

23 Adults Complete First Aid Courses

Near-tragedies happen all over the country many times each day, but lives are saved and suffering is reduced because someone near at hand knew what to do.

First aid training courses have been an important Red Cross community service for the past 60 years. In that period, the Red Cross has issued 32,000,000 certificates to those who have successfully completed such courses.

Multimedia Course
Now as in so many fields today, there are new and exciting developments in first aid training that make it quicker and more effective.

Now it is possible for a person to be trained in only 7 1/2 hours to administer first aid. This progress has been accomplished through a unique multimedia method developed by the American Telephone and Telegraph Co. and the American National Red Cross.

The Multimedia system of teaching standard first aid is a scientifically developed instructional method using filmed vignettes of demonstrations, guided practice sessions and programmed workbooks.

Given in Heppner
This multimedia one-day Standard First Aid Course was recently completed in Heppner taught by Jerry Witzel and Ray Hornbeck from Pendleton assisted by Bettie Doherty, Morrow County Red Cross chairman.

Completing the course were Jackson Graham, Linda Conner, Betty Pettyjohn, Shirley Garrett, Sandy Graham, Juanita Cogburn, Clayton Sweek, Alena Anderson, Shirley Marlatt, Landra Girard and Dorothy Wilson.

Advanced First Aid
Charles E. Rouse, assisted by Mrs. Doherty recently completed instruction for an Advanced First Aid Course. Those who completed the course and were issued certificates were: R. B. Cogburn, Don Peterson, Robert Jepsen, Larry Fetsch, Maxine Schmidt, Edith Case, Helen Everhart, Floyd Everhart, Helen Salter, Hattie Harnden, Frank Connor and Anna Schwarzin.

Money would be used to put in a sprinkler system to meet Federal and state standards and to replace other needed equipment and help in support of the nursing home. Sprinkler system cost is about \$4200.
Vote on the proposal is set for May 25. Yesterday there were 19 people in the hospital for treatment. There are 20 in the Nursing Home.

Mustangs Nab First In Tri-School Track

Ken Baker, Kevin Dick, Barney Marshall, and Bruce Marquardt drew first place honors in a winning team effort over Pilot Rock and Wahtonka on Tuesday. The Mustangs swept the pole vault for 10 points and grabbed 8 more with the first-second combination in the two-mile. The pole vault and the two-mile gave the HHS Cindermen a two-point advantage over second place Pilot Rock.

Sickness has been plaguing the Horsemen — Tom Cutsforth was unable to attend because of ill health—Barney Marshall, after winning the shot put went home sick. John Hall was sick for a week and hasn't recovered completely yet.

Team Scores: Heppner 64, Pilot Rock 62, Wahtonka 43.
