Important Birthday

First birthdays are important and when the first haircut comes the same day that makes it doubly important. Jason (Butch) Wilson had this big happening. Then the Struthers, Patrick, Rene, Sophia and Danny, came to have birthday cake and ice cream with him. His first birthday cake was a tiny one-year size topped with strawberry ice cream. Butch is the son of Mr. and Mrs. Bill Wilson. Other guests for his birthday party were Mr. and Mrs. Ed Struthers and his aunt, Susan Wilson; his grandparents, Mr. and Mrs. Vern Wilson and his great grandmother, "Nancy Kautz".

Mr. and Mrs. D. E. Hudson are in Missouri for a several week's visit. This is the home state for both of them. They are visiting many old friends and relatives. It has been about 10 years since they last visited in Missouri.

Of Interest to Women

Anna Mae Steagall was doing some sorting and she found 25 year's accumulation of Betty Crocker coupons which she has turned in for the Kidney machine project. There were more than 1400 coupons.

No matter how few you may find in some old corner, please bring them in. They will be used for a good cause.

The Third Eye

The eyes have it. During National Book Week April 18-24, High School students will all be wearing a third eye. This very wide-awake eye is a copy of some pins that Librarian Madge Thomson ordered especially for the week. The theme for this year is "You've got a Right to Read! Don't blow it!"

The invitations to the senior girls of Heppner High and Ione High for the Soroptimist Tea will soon be in the mail. The invitations have been printed hot pink on green which is a combination of the class colors, green and white for Heppner and pink and burgundy for Ione.

Spring Comes

The first signs of spring are the newly painted store fronts on Main St. First came the Coast-to-Coast white front with the yellow signs. Jimmy Thomson matched the yellow with his store front. Between the two stores is Heppner's precious old store front. Tuesday the paint started going on it. The primer coat looks good . . . makes it almost look like those beautiful greyed buildings up at Ruggs! Several store buildings were painted last year and more buildings will be painted soon.
