### Homemakers Spring Festival April 29

By BIRDINE TULLIS

All women in Morrow County are invited to attend the annual Extension Homemakers Spring Festival at the Fairgrounds in Heppner, Friday, April 29.

Indian women of the Confederated Tribes of the Umatilla Reservation, guests for the day, will bring displays of their crafts and speak on their past and concerns of the present.

Jerry Nibler, State Leader Extension Programs, will be representing OSU. Harold Kerr, Staff Chairman, Morrow County Extension, will give a brief resume of the recent Long Range Program Planning and its implications to the women of Morrow County.

Curtis Lund of Hermiston will show slides of historical sites in Oregon, including Cello Falls.

The Spring Festival is an annual event for Extension women, planned as a county wide event to acquaint all citizens with programs sponsored by Extension for women.

Membership in units is not necessary to attend. All women are cordially invited to attend and enjoy the program.

Save April 29 for this special event!

### Mustangs Blast Pirates 16-4

The wind and dust finally gave way and allowed the Heppner Mustangs to play baseball. And baseball they played, as they blasted the Riverside Pirates by a score of 16-4 at Boardman Saturday.

Heppner went right to work and put two runs across the plate in the first inning. From then on the Mustang 9 continued to hit well and scored in every inning. Baseball coach, Dale Holland said he couldn't even remember scoring in every inning before.

Hitting wasn't the only place that the team looked good, as they only had two errors, which is real good this early in the season.

Winning pitcher was LaVerne Van Marter as he pitched the full game.

New Program Revises ACP

This program, Rural Environmental Assistance Program (REAP), which is an extension of the Agricultural Conservation Program (ACP), is effective in Morrow County until Dec. 31, 1971.

The goal of REAP is to improve the quality of life for all people by preventing or abating environmental pollution, providing the maximum public benefit, and conserving the land and related resources so as to assure their continuing ability to produce the food and fiber necessary for the maintenance of a strong, healthy people and economy, and to provide for wild-life, open space, landscape beauty and outdoor recreational opportunities.

The 1971 Morrow County REAP will be mailed soon to local farmers and ranchers. The County Program was developed by the County ASC Committee with the assistance of a number of USDA agencies and the Community ASC committeemen.

An "Investment Plan" has been developed by the County ASC Committee which outlines the priorities that will be given during the program year in expending these funds in the best public interest.

Minimum practice specifications are on individual practice sheets which may be obtained at the County ASCS Office.
