HHS Counsellor Told Annapolis Tale

Mrs. Conley Lanham's recent trip to Annapolis for the Navy Blue and Gold program for Educators held a double bonus for her. She not only received instruction on the possibilities of careers in the Navy and Marine Corps available to Heppner High School students but also gave her a chance to visit Mick Lanham.

In company with 40 educators from the Northwest which included six from Eastern Oregon towns of Hermiston, Umatilla, Stanfield, Milton-Freewater and Nyssa, Mrs. Lanham took a flight out of the Mt. Home AFB on an Air Force plane for Andrews AFB at Washington, D. C. The group went by bus to Annapolis.

They were housed in a Howard Johnson Motel 10 miles from the Naval Academy and were picked up every morning.

They toured the entire facility inside the walls. Mrs. Lanham sat in on a chemistry class and visited many other classrooms. Every facility that's needed is made available. There are several new buildings going up. The math and science buildings are new and the library is new.

Having been on a similar program to West Point, she noted that West Point has much more room adjacent to their present facilities for expansion than there is within the walls at Annapolis.

She said that she could feel that the candidates eligible for entrance to either West Point or Annapolis would have to be a particular top notch brand of man to withstand the rigors of even the first year's program. It is an uncompromising and exacting period within the confines of the grounds.

Bancroft Hall, said to have the largest dining room in the United States is open only a few times during the year to women. The women in the party squired by midshipmen ate elsewhere. Mrs. Lanham was escorted by a 3rd classman from Bellingham.

They were given a tour of the Harbor by the Harbor Patrol. They heard and saw many of the Naval traditions.

Annappolis Tale

One evening Lt. and Mrs. Michael Lanham and three of the children, Jim, Cindy and Gail, who live at Fairfax, Va., joined her for dinner. Michael known to his family and friends as Mick recently received a promotion to Lt. Col. A graduate of Heppner High School, he is Conley Lanham's son.

On Friday morning the group came back through Washington, D. C. for a partial tour of the Capitol and visited with Oregon's Senators Hatfield and Packwood and Idaho's Senators Church and Jordan. This was the first trip to the Nation's Capital for some of the educators. It was raining that morning but brief stops were made at the Lincoln Memorial and other noteworthy Washington spots.

Many of the educators were from Idaho. Mrs. Lanham heard much adverse comment and discussion on the recent RailPax. While it gives Oregon no west-East route Oregon does have a North-South service. Southern Idaho has been left with neither service.

MRS. WILMA GAEDE RETIREMENT DUE

Mrs. Wilma Gaede will be retiring soon after thirty-one years of teaching.

From 1928 to 1929 she taught at Hall Ridge School in Morrow County, grades 1, 2, 4 and 7.

From 1929 to 1931 she taught at Pleasant Vale school in Morrow County, grades 1, 3, 5 and 6.

From 1943 to 1952 she taught at Powell Valley No. 26 Mult. Co. grades 1 and 2.

From 1952 to 1971 she has been at West Powellhurst School in the David Douglas Dist., grade 1.

A retirement program and party is being planned and all of Mrs. Gaede's past students are asked to participate. If you are a previous student please contact Mrs. Bill Sixkiller, 2909 S. E. 115, Portland, Oregon 97266 or call 760-3083.
