Winners Listed For Showmanship

Maree Linnell and Kristi Piper are State Showmanship Contest winners of the Oregon Junior Angus Association, a part of the Junior Angus Field Day held at the Alpine Angus Ranch, Bend. Maree is the 15 year old daughter of Mr. and Mrs. Donald Linnell, Arlington. Kristi is 19 year old daughter of Mr. and Mrs. Dick Piper, Milton-Freewater. Brock Linnell, President of the Junior Angus Association presented the two girls with plaques which entitled them to an expense paid trip to Lexington, Ky., to compete in the National Junior Angus Showmanship contest in August.

Another highlight of the day was the yearling heifer won by Eric Hartman, donated by the Alpine Angus Ranch. The 375 FFA 4-H, parents and friends in attendance took part in the six judging classes and weight guessing classes, for the many trophies that were awarded. In addition to the judging classes that were demonstrations by professional men on fitting an Angus for the show ring, selecting and feeding the modern steer and a film on selecting and preparing the cuts of meat. Representatives from the American Angus Association gave talks on the promotion of the Angus Breed.

THIS VIEW of the Pad Mount shows the giant pump on the right. The large sized box contains the transformers in a water-proofed box. The white box resembling the over-sized refrigerator is the fuse box.

BILL GENTRY stands beside the giant 300 HP pump. Note the absence of poles and overhead wires. The black pipe coming out of the ground to the pump contains the electric lead-in wires.

Travel Plans Made For FFA Convention

A FFA District meeting and luncheon was held at noon in Milton-Freewater last week. This was the first meeting Ted Bellamy served as sentinel, an office to which he was elected at the state meeting.

Greg Look, The Dalles, State FFA president, discussed travel to Kansas City to the National Convention by chartered plane. Delegates planning to go should have \$20 for advanced reservation. The round trip will cost \$130 to \$160.

The Blue Mountain District is interested in promoting Pendleton as the site of next year's State Convention. Klamath Falls is the other contender. The boys made plans to send in the list of accommodations, eating places and recreation in the Pendleton area.

Changes in Livestock Judging were discussed. The new plan will be used at the P-I this year as a test.

The District Leadership Camp will be held early in September at Tolgate. State Officers will conduct the sessions for chapter and district officers.

PAD MOUNT... the New Transformer Bank for Irrigation

Line superintendent Bill Gentry, supervised the first "Pad Mount" transformer bank for irrigation that has been installed in Columbia Basin Cooperative's system. The wires were brought 1700 feet under ground from the fence line to the installation.

This new 300 H.P. installation belongs to Mary Doherty and is located Northeast of the junction of Highway 207 and the Boardman road.

When completed it will be a circle type irrigation and is engineered so the sprinklers will pass over the pump, transformer, switches, meter and all.

This circle will irrigate 130 acres of land that was formerly used for the grazing of sheep and cattle but with adequate water will be suitable for wheat, potatoes, or any crop grown in the area.

Supt. Gentry, who has been with Columbia Basin Electric for over 20 years, says this is one of the best looking systems that has been installed in our area.

The William Wilsons, who moved here in February where he is employed by Randy Lott, recently had company from California.

Visiting for five days were Mrs. Wilson's parents, Mr. and Mrs. Eddie Lema of Winton, Ca., her sister, Victoria Lema, and her grandmother, Virginia Atkins of San Jose, Calif.

This was the Lema's first trip to Oregon and they enjoyed fishing and the many deer they spotted up Willow Creek.

Mary Fitzgerald says an envelope of CowBelles Beef Broth in string beans gives added flavor.

BMCC Profs Give Books to Heppner

Valuable contributions have been made to the Heppner High School library.

A number of instructors at Blue Mountain Community College from the Special Science and Science departments donated technical books from their personal libraries. They felt they would be appropriate and useful additions to the Heppner High School Library. Bob Kelly coordinated the transfer of the books which were gratefully accepted by Principal Jim Bier last week.

Clark Hilden gave anthropology and geography books. Robert Jensen gave U. S. History and Sociology books and Ron Caldwell gave psychology books. Conrad Thomason gave Western Civilization books. Karl Urban and Bill Jacobson gave botany, physical science, biology and chemistry books.

Bob Kelly of Heppner gave business and economic books. The books are useful to the Junior and Senior levels of high school students as the majority are used as first and second year college texts. All are quite recent publications.

LARRY COOK

Larry Cook is showing much improvement. He is still in the Veterans Hospital in Walla Walla.

Forest Service Has New Hours

The Forest Service announced this week a change of office hours for the Heppner office. The new hours at 7:45 a.m. to 11:45 a.m. and from 12:30 p.m. to 4:30 p.m.

Mr. and Mrs. Al Parent formerly of Boise have moved to Spokane. The move was a promotion for Mr. Parent who is with All State. Mrs. Parent is the former Nancy Anderson, daughter of Mr. and Mrs. Erv Anderson.

Mr. and Mrs. Leroy Nlander and Alan Leroy of Gresham spent a recent weekend here with his folks, Mr. and Mrs. Gus Nikander. Mr. Nikander is employed at White Stag in Portland.
