

Blue Ribbons Pile Up Points For Mustangs

By KEVIN DICK

Mustang runners, jumpers, and tossers combined 74 points in a winning effort, May 4, over the Blue Devils of Condon and McEwen's Scotties from Athena. A windstorm hampered the athletes all afternoon.

Fringe Benefits Of Four-H

By BIRDINE TULLIS
Extension Aide

One of the fringe benefits of 4-H home economics work is attending lovely special events! The Super Stitches 4-H Clothing Club of Ione honored their mothers, grandmothers and special guests with a Mothers Tea, Saturday, May 8. Much thought and preparation by members was evident. Favours and dessert were prepared by the girls. A style show of their completed articles was presented, showing their progress for the year. Each member modeled the garment she will exhibit at fair, or a "practice" garment.

The flag salute was led by Michele McElligott, club pledge by Arletta Aldrich, and welcome given by Lea White. A film strip gave mothers an inside view of some of the things the girls are learning. Sherri Wilson gave a reading "The Family".

Every girl in the club participated in the event. Leaders of the Super Stitches are Lou Crum and Lorene Montgomery. Members are Debby and Donna Palmer, Lea White, Sherri Wilson, Michele McElligott, Cindi Martin, and Tammy Tucker.

Food Stamps Coming

The Morrow County Court and the Public Welfare Commission had meetings yesterday and discussions were held on the projected Food Stamp program. Final papers were signed and the program will go into effect Aug. 1 replacing the Abundant Foods program.

Judge Jones stated some time ago he felt there were advantages to the Food Stamp program. Some people had been worried that they would lack funds to buy the Food Stamps. Judge Jones said this was not a major program and funds would be loaned to those with no other source of income.

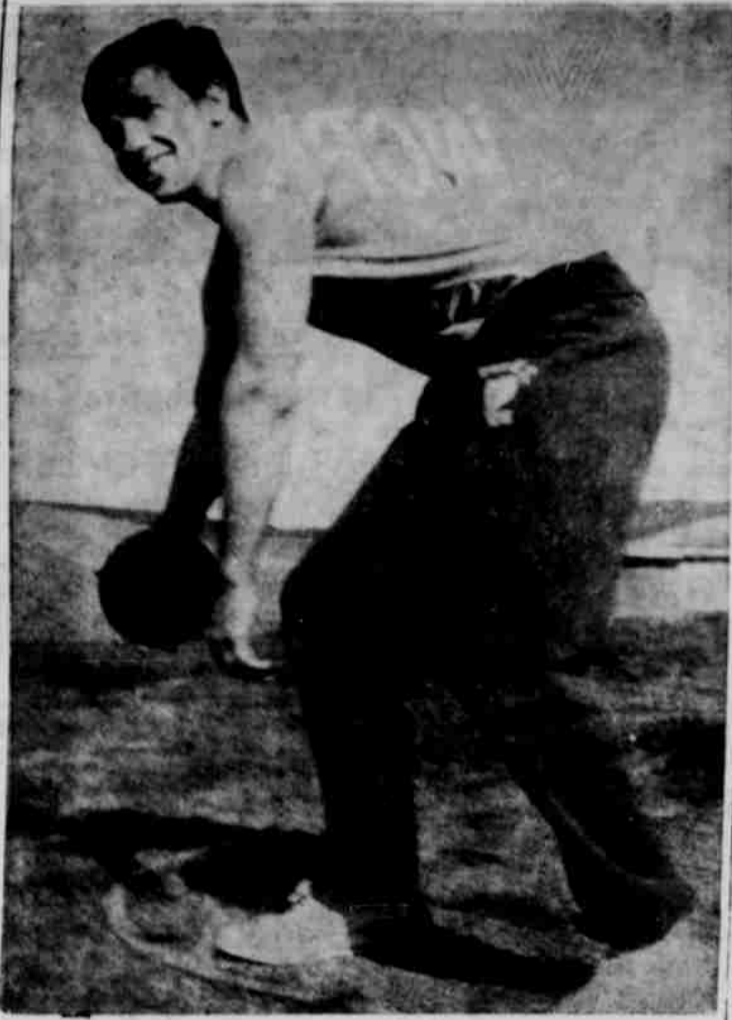

Officer Training

Extension Study Group officers training or orientation will be held at the Dorm Building at the Fairgrounds in Heppner, Friday, May 14, 10:30 a.m.-2:00 p.m.

Luncheon will be a salad potluck. Coffee, etc., will be furnished by the Advisory Committee.

This is planned to be a "different" training from the usual officer training sessions! All newly elected study group officers are urged to attend, as well as any committee chairmen from each unit.

The preliminary session is offered this spring to give new officers time to become acquainted with their duties, as well as plan extra events for each group's meetings in the coming year.
