'In-Town' 4-H Livestock Club To Organize

By BIRDINE TULLIS
Extension Aide

A meeting will be held at the Conference Room of the Extension Office in Heppner, May 13 at 7:30 p.m. to discuss the possibility of forming a 4-H livestock club for "in-town" boys and girls of 4-H age (9-19).

All interested youth and their parents are invited to attend. Mr. and Mrs. Dick Sargent have volunteered to read the club. Members will be welcomed for sheep, swine, beef, dairy or rabbit projects.

The Sargents are former Wheeler County 4-H leaders with many years experience. They have many good ideas to present on how a club can be developed for youth who live in town but desire to be active in a livestock club.

With summer vacation approaching a 4-H short term project could be very worthwhile! Livestock must be owned 90 days prior to fair.

If this idea is appealing—attend the meeting on possibilities to form an "in-town" livestock club!
