

### Elementary Staff Honors Four Teachers

Teachers, staff and administrators of Heppner Elementary School honored four retired or retiring teachers at a pleasant informal potluck dinner April 26 in the school cafeteria.

Those honored were Mrs. Juanita Carmichael who retired at the end of the last school year and still lives in Heppner; Mrs. Cleo Robinson, who retired during the present school year because of illness; Mrs. Velva Becholdt and Mrs. Sloucum who are both retiring at the end of this school year.

Mrs. Becholdt was the only one of the four able to be present at the dinner; however, good wishes and carefully selected gifts were sent to all four. Attending the dinner with Mrs. Becholdt were her husband, Adrian Becholdt, and brother-in-law, Archie Becholdt, Superintendent of Morrow County schools, Ron Daniels, and Prin-

cipal Alan Martin spoke in appreciation of many years of fine teaching. Mrs. Becholdt then shared some of her teaching experiences and thoughts about life and retirement.

Yellow candles and spring bouquets decorated the dinner tables, making the familiar luncheon an entirely different sight. Elizabeth Stephens accompanied by Mrs. Loa Taylor entertained with several songs and then led the group in singing Auld Lang Syne.

Mr. and Mrs. Sam McDaniel of Hardman went to Spray Tuesday to visit long-time friends, Mr. and Mrs. Robert Reed and Mr. and Mrs. Bill Howell. They report nice weather down on the John Day.

This is an ESSENTIAL Levy to Continue Operation of OUR hospital.

#### PURPOSE--

Purpose of this election is to submit to the voters the proposition of a 22,500 annual serial levy which would be levied against all taxable property in the County. Its approval would empower the county court to levy up to 22,500 per year, and collect taxes for that amount, for a period of three years for the operation and maintenance of Pioneer Memorial Hospital. The funds would be used for no other purpose.

#### NEED--

To meet operational losses in the nursing home section of the hospital due to low revenue and lack of revenue in the hospital proper because of a continued low census.

#### HOW IT WILL BE USED--

To replace worn out equipment, repair equipment that is not out dated and general maintenance of the hospital plant.

#### POLLING PLACES--

Heppner—Old Library Bldg.; Lexington—City Hall; Ione—City Hall; Irigoin—City Hall; Boardman—City Hall.

#### WHY A SERIAL LEVY--

The county must call upon voters to decide on a serial levy for a hospital operational and maintenance fund for a three year period because the cost cannot be included in the county's annual budget without exceeding the 6% limitation. Amounts to be expended above the 6% limitation must be approved by the voters. The forthcoming election is necessary to determine if voters wish to give the county court continued power to levy the funds needed up to 22,500 per year.

#### COST TO THE TAXPAYER--

Cost of the 22,500 would be one-fortieth of one per cent of the taxable property in the county. This would not exceed 25¢ per \$1,000.00 true cash valuation.

#### QUESTIONS--

Members of the Morrow County Court, Judge Paul Jones, Commissioner Walter Hayes, Commissioner Homer Hughes, Members of the Board of Trustees of Pioneer Memorial Hospital Clarence Rosewall, Chairman, Margaret Troedson, member, Harriet Evans, member, Riley Munkers, member and John Pfeiffer, member, will be glad to answer any questions on this proposed Serial Levy between now and May 25.
