## More Flooding Cleans Basement

Charlie Walker who owns the home where John Gochnaers live implemented a unique way to get the water and silt from the basement. It was possible because they live close to the creek. A trench was dug from the basement to the creek. A 12" hole was knocked in the basement at floor level. A fire hose was used inside the basement to wash out the silt. Another fire hose was used in the trench to keep the silt from filling in the trench and keep it going on out to the creek.

The trench has been filled back in and cleaning up in the basement progresses.

### Hobby and Figure Eight

Beautiful weather and an appreciative crowd sparked another fine day of auto racing for the Blue Mountain Racing Association at the 1/4-mile paved Umatilla Speedway. Dean Strawn of Kennewick made a clean sweep in the Hobby Class to become the high-point man in that class. Strawn, in his '57 Chevy, set the fast time of the day, then went on to win the trophy dash with Dave Boyles, Pasco, and Ron McKinstry, Heppner, close behind and both in Chevs. Rookie Herb Shaw won the first heat race in a Dodge, then Strawn won the second heat. Strawn then threaded his way through the entire field of cars to win the Hobby Main Event.

The Figure Eight's gave the crowd plenty of thrills with occasional spin-outs and numerous near-collisions in the intersection. Jim Tompkins took the checkered in the trophy dash, followed by Dale Badoux, Ron McKinstry and Joe Lugauer. McKinstry then won the first Figure Eight main event with Stan Rauch, Jim Tompkins and Terry Tompkins in pursuit. The second main was won by Rauch in his "Chicken Wing" Ford. McKinstry, Jim Tompkins and Kennewick's Jim Hiner took the next three positions.
