Over The Tee Cup

By MARIE McQUARRIE

The barbecue Sunday turned out to be a real success. We are sorry for those who were not able to attend, as they missed a good time. Eddie Gundersen was head of the play and he planned a two-ball foursome for us. The steaks were yummy off the barbecue pit and the salads, desserts and french bread were a great compliment to our steaks.

The highlight of the barbecue was that Francis Doherty made a hole-in-one. Quite an honor, and we congratulate you Francis. He paid off with drinks for everyone, which is the only painful part of making a hole-in-one. It was made on our temporary hole No. 4, where you shoot across the creek right next to the No. 2 green. The No. 4 green is one of the toughest ones on which to get the ball in the cup. Francis did it just right.

Dee Gribble and Eddie Gundersen were low in the two-ball foursome and Beverly Gundersen and Ed Schaffitz won two balls for the most strokes.

We hope we have another barbecue right soon, as summer is quickly getting away from us, and they surely are fun to have either on a Saturday or Sunday.

The girls today played "speck". If you don't know what that is, here is the explanation. You keep score of the one with the longest drive, first on the green, closest to the pin and first one in the cup. When your game is over, you add to see who has the most marks for the four things. Vi Lanham had 10 specks for the day and won a ball. Helen Schaffitz received a prize for playing the most consistent game. Beverly Gundersen had a sequence of 5, 6

and 7 on her card and received a ball for same. The day was perfect as far as the weather went. This is the kind of day that is made for golfing—and especially in the morning. Hope more of you gals can come out and join the bunch and have an easy relaxing morning.

Mr. Duncan, our pro, reports that the lessons are going fine. He has more than 15 pupils and from all reports, his scholars are pleased with him. Sometimes, changing your game will make your score higher for a little while, but soon you will begin to improve and enjoy your golf more. You can still sign up at Central Market for lessons. There are a few men that are taking advantage of having a pro here, but more could benefit by having a few lessons from Mr. Duncan.

Canning Tomatoes

Up-to-date directions call for the addition of 2 tsp of either lemon juice or vinegar for quart of tomatoes. If tomatoes canned in a boiling water bath are not sufficiently acid, there is the danger of clostridium botulinum, if present, will grow. These bacteria produce toxin that causes botulism which can be fatal if even a small amount is consumed.

Visiting with the John Eubanks family for the weekend were Mr. and Mrs. Gene Selby, Terry, Tracy, and John of Portland. They were also here to visit with their daughter, Becky Eubanks, who is spending the summer with her grandparents, Mr. and Mrs. John Eubanks.
