4-H Girls Enjoy Style Revue Practice

Sally Bay, area Extension Agent, assisted by Kristi Piper, OSU student, and 4-H members Kathleen Bartlett, Cheri Carlson, Kay and Carley Bergstrom, recently presented a concentrated session on "winning ways" for 4-H clothing and knitting members in preparation for style revue at county fair.

Sally had many words of advice for the girls as well as actual practice modeling.

The public style revue for 4-H girls is traditionally presented on Wednesday evening of county fair. The popular activity will again be presented in front of the main grandstand as an open event to which everyone is invited.

TWO EASTERN OREGONIANS won top awards of the Washington State University high school summer camp which closed recently. Shelley Wolff, Heppner, second from left, was named outstanding journalist and Mike Connell, Pendleton, right, outstanding boy musician. Others in the photo are Tim Anderson, Redmond, Wash., winner of the Ned Smith Memorial Award in percussion and Linda Corsey, Yorkina, outstanding girl musician.

Shelley Selected Outstanding Student

Shelley Wolff, daughter of Dr. and Mrs. Wallace Wolff, attended the 39th annual summer camp for high school students at Washington State University, Pullman.

By vote of the journalism students and teacher, she was presented the big 1970 edition of the WSU yearbook "Chinook".

She was also awarded a "Certificate of Service" as editor of the summer school's yearbook there.

Shelley will be a senior at Heppner High School.

Shelley attended summer camp for a three week session, from June 20 to July 10. Bill and Tom Wolff, Shelley's brothers, drove her to Pullman then went to Spokane to visit. On the return trip they visited Shelley to find out her first impression. She summed it up in one word, "Great".

The daily schedule requires each student to take 5 hours of self selecting classes during a 7 hour class day. Shelley's classes included an all interpretation class, two class hours of art, one journalism yearbook class, and a class in radio workshop. Shelley enjoyed the KUGR radio station on campus because it was broadcasted into the dorms by students. She got the chance to broadcast a program and loved doing it.

While Shelley was there she heard the Philadelphia String Quartet Concert, The Spokane Professionalists Concert and two modern groups, Concord Green, and Andy Robinson both from Spokane.

LaVerne Van Marter III, 255 W. Baltimore, Heppner, has been accepted for the Fall Term 1971-72. LaVerne will major in Elementary Education at Treasure Valley College, Ontario, Ore.

FARM SAFETY WEEK

MAKE Farm Safety AN EVERYDAY HABIT!

HARVEST THE REWARDS IN PROFIT, PRODUCTION AND PROTECTION . . .

The success of today's mechanized farm depends to an ever-increasing degree on the safety practiced by today's modern farmer.

As a modern farmer, you put heavy dependence on the proper operation of costly, often specialized equipment. Be sure it is safe to use . . . keep all machinery in tip-top shape.

Accidents are fewer when your farm area and buildings are neat, clean and in good repair. And even your youngest farmers-to-be should practice safety. The best way for them to learn is by following your good example.
