 Teacher in-service program—Sept. 2, Riverside High School.  
**Announcements**  
 Next regular meeting, Sept. 20, 1971, 8:00 p.m., District Office.

Mrs. Frances Major of New York is here visiting her son-in-law and daughter, Mr. and Mrs. Harold Kerr. This is her second visit to Oregon. She visited the Kerrs when they were at Lakeview. She says "Heppner is beautiful".

**EASY DOES IT.** Fifty thousand plus pounds of transformer settles down gently on the low boy for transportation to the site of the new Heppner Sub-station. Working on the transfer are Art Vance, Bud Marshall and Vernon Wilson.

### Giant Transformer Brought in by Co-op

Columbia Basin is installing a new transformer at the new Heppner City substation. The new one has a capacity of three times the old one. It has a capacity of 10,500 KVA (Kilo Volt Amps). The other transformer will be moved down to Kinzua Mill to serve the present mill and the new additions they are contemplating. The new transformer will be in operation in about 45 days.  
 The new Kuhlman transformer came in on a flat car. The strike held it up about two weeks. A crane came in from the Tri-Cities to load it from the flat car to a low boy. It weighs 50,500 lb., and cost \$30,000.

## Come to the Fair Visit the Favorite Food Show

Tuesday evening, Aug. 24. Open to Public, 6:00-8:00 p.m.  
 A fair event introduced last year to offer 4-H foods club members the opportunity to show accomplishment in a way comparable to style revue for clothing and knitting members, will be spotlighted again this year on Tuesday evening, Aug. 24, 6-8 p.m. Changes or improvements have been added.  
 Girls prepare their favorite food, exhibit it in a complete setting such as they would use in serving it for a specific occasion. Setting includes table linens, centerpieces, table service and favorite food, complete with recipe, menu, and samples of foods.  
 The event will be open to the public in the 4-H Annex. The girls will be on hand to visit about their "favorite food" exhibit.  
 Food awards will be presented at 8:00 p.m., at the close of the show.  
 All foods club members are encouraged to enter this special event.

**TWO MEMBERS** of the Blue Sage Tac Team from Union demonstrate their skill over the bars. These daring jumpers with only a Tac Rein to guide their horses will put on a demonstration at the Morrow County Rodeo Aug. 28 and 29.

### New Meter Reader

Floyd Borman of Lexington has accepted the job of meter reader for Columbia Basin Co-op. He really enjoys his new job. He spends two days in Heppner mostly walking and the rest of the time he is in and out of the car.

### HOSPITAL NEWS

Patienis still receiving medical care at Pioneer Memorial Hospital are: Roland Britner of Heppner; Alex Ulrich of Heppner; Richard Ladd of Ione; Lor-al Kelsey of Kinzua and Earl Davis of Pendleton. Those discharged from the hospital were Jeannette Bell of Kinzua and Staci Van Winkle of Heppner.

### Medical Students Will Speak At Soroptimists

Don Peters and/or John (Pat) Merrick will speak at the Soroptimist Luncheon this noon. They are both Juniors at the Oregon Medical School. This summer they are in a Preceptorship program at St. Anthony Hospital. They will explain the program and give some of the things about an area that a young doctor is wanting.  
 Members are reminded to bring antiques or a collection they might have that will be used as centerpieces for the luncheon.

Gazette-Times want ads pay.

### Gertrude Parker In St. Anthony

Mrs. Gertrude Parker is presently a patient at St. Anthony Hospital in Pendleton after slipping and falling at her home on the patio, Aug. 3. She has broken her hip and was in traction for some time.

Art Crawford is in Heppner visiting old friends. He is staying at the Len Schwarz home. Mrs. Schwarz is his sister. He was in Pendleton Tuesday to see her and he says that she is up and walking around. She is at St. Anthony Hospital.  
 While he was there, he stopped in to see Gertrude Parker. She is doing well after falling and breaking her hip.

Barney Buschke of Ione finished harvesting on Tuesday of this week. He figures his crop as pretty good and it lasted for 18½ days. Mr. and Mrs. Sam Steers helped at the Buschke ranch during harvest.

### GERKING AT MEETING

Hal Gerking of Realtors of Portland attended a special educational and marketing session of the Society of Exchange Counselors in Gearhart. The Society of Exchange Counselors is the only group in the United States handling real estate on a geographical, inter-state basis. They specialize in handling out-of-town properties.  
 Gerking said, "It is not unusual for people to own out-of-town or out-of-state property. We meet every 30 to 60 days in various parts of the United States to exchange property for our clients. A typical example," added Gerking, "is when a young couple is willed a ten-unit apartment in Phoenix, Ariz. Both the husband and wife could not handle the long-distance management problem on the units and contacted a property exchange specialist. The property was exchanged for property closer to home and eliminated the long-distance management problems."

### Honorable Discharge From Navy

Randy Stillman, son of Mr. and Mrs. George Stillman of Heppner received his honorable discharge from the Navy Aug. 10. Randy served 2 years and 8 months in the Navy. Future plans for Randy include marrying Barb Boyce, also of Heppner. The couple will reside in Portland, where Randy is hoping for a banking position there.

Jeff Feller was the cute little red head the unicyclist had in his arms. Jeff is from La Grande and was here visiting his grandparents, Mr. and Mrs. Edgar Albert. He is the son of Mr. and Mrs. Dick Feller. He came in with his grandmother to be identified and pick up his milkshake money.

The unicyclist was carrying two visiting grandsons. On his shoulder was Gard Becker of Gold Beach visiting his grandparents, Mr. and Mrs. Charles Heard.

### PRICED WITHIN EVERYBODY'S BUDGET

**Air conditioning makes you work better, sleep better, feel better**

Remember those hot, muggy days last summer? And those sultry nights when you turned and tossed with hardly a wink of sleep?

Well, there's really no reason why you and your family need suffer through another hot summer. Air conditioning is no longer a luxury; the new, modern units are now within nearly every budget. And what a difference air conditioning makes! Air conditioning is a real wife-saver; takes the heat and perspiration out of ironing... cooking... canning... and all those chores that seem almost impossible to do on a

hot summer day. Lets you sleep like a baby... even on the hottest, muggiest night. You wake up refreshed... really feel like doing a day's work.  
 Folks suffering from asthma and hay fever can get welcomed relief with air conditioning. It removes pollen and other irritants that make summertime almost unbearable.

**Room or central air conditioning?**  
 If you are planning to build a new home or remodel your present one, consider year-around climate control with central air conditioning. A heat pump is ideal because it maintains the same temperature all year. It will cool your home in summer; heat it in winter. Yet an electric heat pump costs little more than a conventional heating system... the cooling feature is almost like an extra bonus!

Room air conditioners are practical for every home. They are relatively inexpensive and can be added room at a time.

**Dehumidifiers prevent rust and mildew**  
 No need to worry about tools rusting in your basement or clothing and leather goods mildewing in your

closets. An inexpensive dehumidifier takes damaging moisture from the air... and does it for only pennies!  
 The new, light-weight models are completely portable and can easily be moved from room-to-room. Their big capacity for moisture removal means that a single unit can usually solve your problems... even if you have a large, damp basement area.  
 Stop by or phone your electric co-operative for additional information about air conditioning or dehumidifiers. There's no cost or obligation. You'll get many practical suggestions which will help your family live better... with low-cost rural electric power.
