Billy Young, popular clerk at Hotel Heppner, departed Tuesday for Portland to spend a few days on business. After returning to assist through Rodeo at the hotel, he expects to leave on a motor vacation trip to Soap Lake, Grand Coulee, Spokane and Yellowstone Park.

New Ice Cream Store
"Scotty's Super Creamed Ice Cream" is the inscription placed on the corner room of Heppner Hotel building this week as preparations were being rushed to get Heppner's latest business venture in operation by Rodeo time. The ice cream store will dispense "soft" ice cream and light lunches. In charge will be Mr. and Mrs. J. P. Hall recently of Vancouver, Wash., who with their son will make Heppner their permanent home.

R. O. Dail and Warren Brothers, contractors, are putting the finishing touches on surfacing of the nine mile stretch of road between Heppner and Lena that has been under construction for two months, and expect to pull out the last of their men and equipment within a few days.

This road, part of the Oregon-Washington state highway is now oil surfaced all the way from Heppner to Lena, and provides a much improved thoroughfare for log hauling operations of Heppner Lumber company. Widening of two narrow curves on Jones hill, scene of many accidents, was included in the work.

Oregon Savings Bonds Sales Lead the Nation

Announcement was made here today by County Chairman Gene Pierce that heavy buying of Savings Bonds by Oregonians in the first half of 1971 has placed the state at the top of the list on the basis of progress toward this year's dollar quota.

"At the end of the first six months," said Mr. Pierce, "the State of Oregon has achieved 67% of the \$32,200,000 goal assigned us at the beginning of the year. This achievement places us at the top among our 50 states. Actually, we have been no worse than fourth in the past 15 months, and were only that low once."

"Three of our counties have already reached their 1971 sales goals. First, at 11% of quota, is Sherman County, under the Chairmanship of Giles French who led all the War Bond Drives in his county. Hood River County under the Chairmanship of Bob Flint, and Morrow County, with County Chairman Gene Pierce, have both reached 100% of their total goals."

"Total sales of Series E and H Savings Bonds in our own county for June were \$7368. Total sales were \$73,862.00 for the first 6 months. Our quota for 1971 is \$74,000.00."

According to the local county chairman, national sales are also very high, running 10.7% ahead of 1970. Obviously, the present 5 1/2% return on Savings Bonds when they are held to maturity is a most attractive one."
