TOPS Helps The Overweight

The purpose of TOPS is primarily to help all the overweight who are sincerely interested in losing pounds sensibly. It is based on the principle of group therapy, getting together those who have a common problem and discussing it frankly without fear of being laughed at or misunderstood. The members of a chapter compete with one another in a friendly fashion while attaining their ideal weight and maintaining that weight. The success and enthusiasm of the group provides encouragement and incentive to those individuals who lack the will power to accomplish their goal alone. TOPS is not a course of a few weeks or months duration. It is a well-planned continuing program dedicated to helping the overweight.

Successful Choir Tour

Rev. and Mrs. Burwell, pastors of the Assembly of God Church, took an ensemble of six members of the teen choir who were free to go at this time, and the accompanist, Mrs. Ray Taylor, on a four-day tour in the church bus over the past weekend.

The first appearance was Thursday evening at the Assembly of God church in Weston, where they stayed overnight. Friday night they sang at Bates; and Saturday night and Sunday morning at Prairie City, returning to Heppner Sunday afternoon and repeating the program at the home church Sunday night.

In the afternoons at Bates and Prairie City, the young people canvassed the towns, giving out hand bills and personal invitations to the services.

There was much laughter and fun on the trip, but Saturday morning was set for a special time of fun and relaxation, so they went to the park at John Day, hoping for a chance to swim, only to find it would not be open until 1 p.m., by which time they had to go to Prairie City. So they separated into groups and looked over the business part of town, where a Crazy Day sale was going on. After arriving at Prairie City, they were informed that there is a nice resort a few miles out of town, where swimming and other outdoor recreations are available. If they go there again, they will remember that.

The group was well received in each church and were given a hearty response to their presentations. Eighteen numbers were on the program, two of which were solos, sung by Elizabeth Stephens and Richard Wadholm; one horn duet by Richard Wadholm and Jack Unrein, the rest choral singing. Following the music, short sermons were given, all by Rev. Burwell, except the one Saturday night at Prairie City, which was given by Richard Wadholm.

Those making the trip were Dena Struthers, Rebecca Stillman, Elizabeth Stephens, Richard Wadholm, Jack Unrein and Larry Groce.

Although all returned tired from the trip, each expressed appreciation for having had the privilege, for they felt it had been valuable spiritually, educationally and pleasantly.

The Burwells and Mrs. Taylor are very happy and proud over getting to travel with such a fine, cooperative, happy, jolly group.

Mr. and Mrs. Bob Frick, Vicki 8, Scott 5 and Wendy 2, of Richland, Wn., visited last week with Mr. and Mrs. Ed Hiemstra. While the Fricks were here they all went to Portland to see the beautiful horses from Vienna, the Lippizans.

This week their 2 year old granddaughter Trisha Maxam visited the Hiemstras from Portland. She is the daughter of Mr. and Mrs. Wayne Maxam of Portland.

Christenson Bros. Here

Mr. and Mrs. Chet Christenson of Hawaii accompanied his brother and sister-in-law Mr. and Mrs. Pete Christenson of Portland to Heppner for a visit last week. They visited their uncle, C. J. D. Bauman and old friends.

Pete is with the Portland Police Department. They are sons of Mr. and Mrs. Ernest Christenson.

They have a sister in Boise and a brother in Cheyenne.
