Safflower—Gary Grieb 1st.

Hay and Grass Exhibit New This Year at Fair

With more irrigation, hay is increasing to become a major crop in the county. The Hay and Grass exhibit was a new division this year in the Morrow County Fair. An exhibit consisted of four bales produced that current year. Growers submitted core samples that were analyzed to determine crude protein, fibre, fat and moisture. The bales became the property of the Fair Board and were to be sold to cover the cost of the testing. Exhibit was judged on the basis of 50% on analysis results and 50% on general appearance. First prize of \$10 went to Gary Grieb. His test was 18.65% of protein dry matter, 17.90% protein as fed basis and 96.0% dry matter.

Charles Daly won 2nd prize of \$7.50. His hay tested 18.33% protein percent dry matter, 16.50% protein percent as fed basis and 90.0 percent dry matter.

Jerry Myers won 3rd prize, \$5.00. His hay tested 17.56% protein percent dry matter, 16.23% protein percent as fed basis and 92.4 percent dry matter.

Other exhibitors were Jim West and Clarence Fredrickson. This exhibit is expected to grow this next year.

Kathy Crum will be a senior in the school this year. She and her mother, Mrs. Ralph Crum will accompany Mrs. Everhart to Nampa Thursday to get the girls settled for school.

Our Job

As a rural electric system, it's our job to provide dependable electric power to all who live and work in our corner of America.

It's our job to help broaden our community's base of social and economic opportunity.

It's our job, as one of nearly 1,000 rural electric systems across the nation—making up a small but vigorous part of the country's total electric industry—to work toward solving mounting nationwide energy problems.

... and Our Promise

We'll go on planning ahead carefully... carrying out those plans... doing our multi-level job. And, as the future rolls in with extra problems, we'll put forth the extra effort it takes to meet our consumers'—and our country's needs.

It's not only our job—but our promise.

Columbia Basin Electric Co-op

"Serving Morrow, Wheeler and Gilliam Counties"

Telephone 676-9146

Miss Julie Olson of Portland was here to see the Rodeo with her grandmother, Mrs. Agnes Sperry. She returned to Portland on Tuesday, accompanied by Mrs. Sperry and Mrs. Linea Nottage.

WHAT'S COOKIN'

The fair is almost over and you probably are expecting a houseful of guests for the Rodeo. Sounds like a good fasty to have ready to serve after the parade Saturday.

Molded Tuna Salad

1 package lemon gelatin dissolved in 1/2 cup water. When jello begins to set add:
1 cup mayonnaise
1/2 cup chopped green onions or green olives
1 can chicken gumbo soup
1/2 cup chopped celery
1 can tuna, drained.
Refrigerate.
