

**DOTS
JOTS**

The Fair was a real fun time. It was a time for seeing old friends. Imagine my great surprise while talking to the Mac Hi FFA Boys to have a young teacher come up and say, "I remember you, Dorothy. You took a lot of pictures of me my Freshman and Sophomore year at Mac Hi". It was none other than Frankie Millar who will be the FFA instructor at Mac Hi next year and who was a **Hermiston this year.** He had an older brother Andy Millar who also had his picture taken on many occasions. They were both smart kids.

Then there was Suzanne Lozier Coppock of Lexington. She was from Enterprise and I remember when she went to Chicago for the National 4-H meeting. Her grandmother Martha Lozier managed the little Joseph Department store for Mrs. Walter Brennan and had a parrot that talked. Suzanne met Darrell from Adams when she was an IFYE.

Louise Pieper, also one of the judges, is from Milton-Freewater. It was they who started us on yellow cats. We got a kitten from them years ago that was named Pieper. He was something of a fighter and one spring we had to have him put to sleep as the result of just too many wounds. Now we have another yellow cat.

It was a great time for seeing many friends and especially enjoyed seeing these three since it had been so long!
