

Tole Painters Choose Name

We had the first meeting of our tole painting club to reorganize today. Judy Ledbetter and Anita Davidson were the only two second-year members present. Barb and Sharon McCarl were absent. Our three new members are Janette Piper, Glenda and Marilyn Jessmer.

Everyone filled out last year's records and started next years. We filled out our enrollment and re-enrollment records.

We decided to have the beginners meetings on Mondays. The whole club will meet on the 2nd and 4th Saturdays of October.

We then elected officers as follows: president, Anita Davidson; vice president, Barb McCarl; secretary, Judy Ledbetter. We decided to let Judy be in charge of the news reports. We will have a food sale on the 30th of October, just before Halloween.

We are still trying to figure out a name. We have 3 of them already. We have decided on the name "VII Terrific Tolers". We adjourned.

Condon Cools Heppner JV's

Condon depth and experience proved too much as the Heppner Junior Varsity dropped a 36-14 decision to the Blue Devils of Condon Monday afternoon. "They had 33 players suited up for the game. Their depth and having experienced players was too much for our small (in numbers) team", said Coach Dale Conklin.

Although the Heppner offense sputtered most of the game, two scoring drives were put together. Mike Bergstrom rambled 40 yards for a touchdown and Jerry Gentry added a two-point PAT. The other score came on a two-yard run by Ken Eckman.

Tracy Wilson was outstanding on defense with a pass interception and 11 tackles. Randy Morris and Charlie Sumner were also sited.

Next Monday at 6 p.m., the Heppner Frosh will tangle with the Condon Frosh at the rodeo grounds. The next JV game is scheduled for Oct. 11 at Pilot Rock. Game time is 6 p.m.

George, The Golfer Liked Heppner

Golfers enjoyed the privilege of having a golf pro for the summer on the Willow Creek Golf course. George Duncan left last week for his home in Riverside, Ca. He came to Heppner to get away from Riverside's hot summers. This is a joke when Heppner had one of its hottest for the longest period of time.

He had 35 golfers take advantage of his talents. He says he enjoyed the course as it is one of the most sporting little courses he has ever played. He had very favorable comments on the wonderful job of maintenance on the golf course. "Kit cuts the grass just right". He hopes the cooperation of all the members will continue.

It's hard not to catch some of George's enthusiasm for hitting the little white ball. He thinks it is the greatest. He would welcome any of his Heppner friends at the Riverside Golf and Country Club this winter.

Mrs. Floyd Everhart has enrolled at BMCC in the Accounting courses. Sharing rides with her is Duane Canaday who is also enrolled at BMCC.
