

University Two Married in Lutheran Ceremony

Teresa Marie Stefani and Jeff Turner were married on Saturday afternoon, Sept. 4 at the Hope Lutheran Church. Pastor Kenneth Robinson of Shelton, Wash., came to perform the double ring ceremony. He was assisted by Pastor Rudy Mensch. Pastor Robinson had confirmed Teresa and his talk to the young couple was very personable.

Teresa is the daughter of Mr. and Mrs. Arthur A. Stefani of Ione and the bridegroom is the son of Mr. and Mrs. Donald Turner of Eugene, who formerly ranched north of Lexington. The bride was given in marriage by her parents. She wore a floor length gown which extended to a chapel train. The skirt was dotted with medallions of lace. The gown was banded with Venice lace. The high necked yoke and long sleeves were made of lace. Her elbow length veil fell from a matching Juliet cap. She carried a bridal bouquet of a white orchid and white mums and baby breath. She wore a pair of diamond earrings which were a gift from the bridegroom.

Attendants
Teena Stefani was maid of honor for her sister. Bridesmaids were Janet Palmateer, Bonni Ball, both of Ione, Wanda Mason of Newport and Sherrie Rush of Eugene. The girls wore lavender voile floor length gowns with long sleeves and white cummerbunds. Lavender flowers encircled the white picture hats. They carried white baskets filled with pastel flowers.

Jerry Stefani, brother of the bride, was best man. Ushers were John Cox, Mike Sweeney of Heppner, Terry Logan of Condon and Dan Pitman of Portland.

Mrs. Paul Tews was the organist. She also accompanied Mr. and Mrs. Darrel James as they sang One Hand One Heart and The Wedding Prayer. Candlelighters were Rick Peterson and Philip Carlson of Ione. The church was decorated with bouquets of lavender and pink gladioli.

Mothers Wear Yellow and Pink
Mrs. Stefani wore a yellow knit dress with beige accessories and the bridegroom's mother wore a pink shantung dress with pink accessories.

The reception was held at the Heppner Elks using the same colors of lavender pink and white flowers as were used at the wedding.

Mrs. William Zinter made the four tiered wedding cake which was served by Mrs. Doug Burpee, sister of the bridegroom. Mrs. Jerry Martin and Mrs. Roland Bergstrom aunt of the bride, were at the punch bowl and Mrs. Herb Ekstrom, Sr., served the coffee. Attending the

Home again after attending a Soroptimist Conference at Village Green along with Justine Weatherford who drove, Lenna Smith, Betty Pfeiffer and Vi Latham.

Justine is a gal after my own heart. She stops to read historical markers, stops for cider and other little side jaunts. Coming home Sunday we had a coffee-cinnamon roll stop with my sister Choslah in Lebanon then an across beautiful South Santiam Pass where the vine maple was absolutely gorgeous and on top there was a sprinkling of the first snow on some of the peaks. This was a first and first for a long time over this pass for some of the gals.

Our driver swung off the highway to show off beautiful Cascadia State Park where trees meet overhead and grass and shrubs grow in natural state with facilities for large groups and individual camps. We stopped to have drinks from the soda water spring. Reaction: good, bad and indifferent!

At Suttle Lake we swung off to show Lenna the Methodist Camp where Judy went to camp when she was in high school.

At Prineville we stopped to leave a book and enjoy the view and a cup of coffee and piece of cake with the George Newells in their new home. They have built on a high knoll with a view to the north, south, east and west. The mountains, the alfalfa fields, the snow covered peaks were breathtaking. Mrs. Newell (Edythe) is Bill Weatherford's sister. We had heard re-

ports of the Opportunity Center for the trainable mentally retarded at the Conference and then from Edythe we got another first hand account as she devotes one day a week of her retirement there.

Starvation for something "salty" set in and we stopped to eat at Mitchell. Then home by way of Spray where we took a good man away from his TV program to go over and open up his service station to fill up the tank for the rest of the way home.

It was a good trip!

'Sewing For You' Teacher Training To Start

After teachers are trained in this session, open workshops which anyone may attend will be given. There are no charges for attending extension sponsored workshops.

Call now — learn the latest on sewing skills — and prepare to teach your friends.

Which Wig?

The women of Morrow County will be "flipping their wigs" during October! Cause of all the excitement is the Extension study group lesson "Which Wig?"

One out of every four women in the U. S. owns one or more wigs and other hair pieces. Wig business is big business today and it takes a cautious shopper to buy a wig wily. The proper wig can be a convenience as well as attractive.

The compact, consumer education lesson covers types of wigs, laws on labeling and content, how a wig should fit, construction, care, coloring, and much more.

Fifty leader-teachers for the lesson were trained by Sally Bay, area Extension agent, at a meeting at Indian Hills Motor Inn, Morrow and Umatilla gals are prepared to give the inside story on how to "flip your wig" at all study groups in October.

Don't miss this lesson—it not only has educational value—it's really fun!

You do not have to be a member of any study group to attend any lesson that is given. Call the Extension Office 676-9642 to find out where the lesson will be held in your area.

Lutherans Have Successful Sale

The Hope Lutherans feel that their Garage Sale was quite a success. They gave the toys they had left to the Jaycees for their Christmas toys project. They gave the books to the Library. The rest they gave to the Civic League for their approaching Rummage Sale.
