

**DOTS  
JOTS**

It was with real pleasure that I read where the lone students had dedicated their 1971 annual to Mrs. Ed Hemstra. She has served as secretary of lone school for the past five years and has had to enjoy and endure a lot of Teen-Age antics in that time. I'm sure, they write, "With great pride we received cooperation and support in all lone school activities and for her good humor in the most trying situations".

I, too, enjoy her splendid cooperation with every call I make to that school!

I never dreamed that Dewey had so many friends. People have called us, stopped us on the street and we even had a note in the mail. "We're sorry about Dewey". He was a loyal dog and we do miss him. Perhaps he was best known by his tail. The Pilot Rock kids called it "Dewey's prothistoric tail". Until about three years ago he had a beautiful plume of a tail then all of a sudden no hair! A year and three vets later we were told that Dewey had a thyroid deficiency. His pills really made him much livelier and hair that started growing back on the underside of his tail. One time my brother Elmer wrote: "Dear Dorit, Charlie and Dewey: I address Dewey because he can grow hair and I can't!"

**Two-County Effort To Aid Handicapped**

Action For The Handicapped, Inc., which has been allocated \$22,000 is working toward the time (hopefully early November) when it will operate a board and room home, an activity center, and a Next To New Shop in Pendleton. These operations will be of benefit to both Umatilla and Morrow Counties.

The committee which has worked diligently to gain these objectives includes Mrs. Pat Brindle and Mr. and Mrs. Ray Ayers, Heppner; Dr. Jean Gardner, Ernest Cristler, Jim Kuykendall, Marvin Alberg, Dennis Haehler, Tom Higley, Pendleton; Beverly Walker, Milton-Freewater, and Walt Peters, Umatilla. Federal Act is Only the Start. The federal funding that will get this work on its way comes from the Development Disability Act of 1970. The program is designed to serve any who are mentally retarded, epileptic, cerebral palsied, or multiply handicapped in the two-county area.

Now, Action For The Handicapped is looking for help from various Morrow and Umatilla County communities. Some examples of this help would be volunteers working in the Pendleton home or the activity center or bringing good used items to the Next To New Shop. Also any financial assistance which will help this agency become self supporting will be appreciated.

There will be several positions to be filled such as house parents and substitutes at the home and supervisory positions at the activity center and the Next To New Shop. Applications will be accepted for these positions through the State Employment Office in Pendleton. Qualified Morrow County applicants should talk with Pat Brindle at the Heppner Neighborhood Center.

Club Secretaries or publicity persons please remember to call the Gazette-Times at 676-9228 and report your latest meeting schedule.

Mr. and Mrs. Raymond Ward of Portland were here recently to visit his brother and family, the Glen Wards.

**Keep Coupons Coming Until December 31**

Mrs. Joel Engelman is fast becoming known as the "Coupon Kid". She has been one of the most enthusiastic and thus successful County Betty Crocker coupon collectors for the Kidney Association of Oregon.

This month she reports sending in 3000 coupons for a total of 118,300 coupons from this county. The counties who have already secured a kidney machine are now helping other counties. A total of 640,000 coupons will purchase one machine.

The KAO has 25 patients on home dialysis in many areas throughout the state. Since this time last year, nine new patients have been admitted to the program, three patients have died and one patient had a successful kidney transplant.

Arlatha Brannon, chairman of the event reminds us that small items will be sold on consignment, as in previous years. Many nice clothing items have already been donated. A baked food sale will be held along with the rummage sale on both Friday and Saturday.

The financial responsibilities involved with the pre-school education of our youngsters is great. The participation and cooperation of many people is needed to make the sale successful. The proceeds from the sale go toward the support of the kindergarten.

The wedding will be an event of Nov. 6 at 2 p.m. at the Heppner Methodist Church. All friends are cordially invited to attend.

A great big handful of apologies to the Heppner Grade School football team. It was the right score but Heppner won 22 to 16 instead of Ione, it was right that Joe Rietmann of Ione was good at both offensive and defensive. Heppner boys who looked good were Wade Padberg, Mike Orwick and Clayton Wilson.

Last Thursday the Heppner Grade School boys won again. This time over Stanfield. The score was 38 to 20.

Stanfield had a good ball club but Coach Clint Agee didn't think the boys played as good a ball as they should have. This week is a bye and they will play at Riverside on Oct. 21.

Miss Frances Holdy of Kansas City is here with her mother, Mrs. Elizabeth Holdy of Newberg who is in Pioneer Memorial Hospital. Mrs. Holdy became sick while visiting at Spray with her daughter and family, Mr. and Mrs. Everett Howell. The daughters are hoping their mother can return to her home at Newberg this week.

While Miss Holdy is in Heppner, she has been the houseguest of Mr. and Mrs. Clayton Sweek. Mrs. Sweek and Miss Holdy were schoolmates at Newberg.

**Lex Booster Night Considers Future of Agric. and Officials**

Who will control agriculture in the future? This question was raised by Allen Moore, speaking at the Lexington Grange Booster Night, Saturday evening. Will it be controlled by (1) the independent farmer (2) the labor unions (3) government (4) corporate conglomerates which do not have farming for their major source of income? He also asked what can Grangers do to help the farming situation? Several suggestions included (1) work toward farm bargaining (2) get acquainted with all farm problems and learn to work together for all agriculture's betterment (3) keep abreast of all farm legislation and all actions that pertain to farming. Mr. Allen Moore is the past Oregon State Grange Agriculture Committee chairman from Hood River. He and his father are involved in fruit growing.

**Governor Succession**

Mr. Earl Moore, who is Oregon State Grange Legislative Chairman, spoke on the initiative measure to change the line of succession to the office of governor. Oregonians To Reform Executive Succession wish to make three changes in the Oregon Constitution: (1) to make the governor keep control no matter where he happens to go (2) to make officials such as the secretary of state and state treasurer next in line of succession. These officials are elected by the voters of the entire state and not by just one district as are the Senate president and the Speaker of the House. (3) to make the gubernatorial successor an elected official. They feel that if the Secretary of State has come to his office through appointment, he should not qualify to succeed to the office of governor until he has been elected by the people, and the succession should go to the next elected official such as the treasurer.

The Booster Night program also included special music by the Carl Marquardt family and by Mrs. Kenneth Smouse. Lecturer, Delpha Jones, read a humorous poem about secretaries which was dedicated to Grange Secretary Jean Nelson.

Preceding the meeting, the charter was draped in loving memory of departed brother in the grange, Gene Cutsforth. In this ceremony Mrs. Wilbur Steagall took the chaplain part, Lolita Marquardt was Ceres, and Mr. and Mrs. Carl Marquardt were soloists.

The evening had begun with a potluck dinner for grangers and invited guests. Special honored guests besides the two speakers, both named Moore, were the Mrs. Moores, Mary and June, and the Willows Grange Master Bryce Keene. Decorations for the evening were arranged by Mrs. Smouse.

Mr. and Mrs. George Hinton of Cambridge, Idaho were here recently visiting Mrs. Grace Buschke.

**President's Theme Is 'Back to Basics'**

Blue Mountain District No. 10 Garden Clubs had its fall district meeting in Pendleton on Oct. 6, at the new Indian Hills Motel.

The new district director Mrs. Charles Dallas, Pendleton, assistant director Mrs. Claude Church, Hermiston and secretary-treasurer Mrs. Royal Chambers, Pendleton, were installed by Mrs. Boyd Schell the state recording secretary.

Reports were given by Mrs. Dallas and the district chairman.

The new state president Mrs. T. Roy Fettes spoke on some of the beauties of being state president and how many miles it takes to get to all the district meetings she had been to in the last month. Mrs. Fettes said her theme was to be "Back to Basics".

Her advice "when a wave of threatening issues arise, return 'Back to Basics' and find health, recreation and mental culture which allows us to embark on a whole new fresh approach."

She encouraged all Garden Club members to plant a tree as their contribution to ecology and pure air.

There were 48 registered for the meeting. There are 49 states in the National Federation with 14,500 clubs and 387,000 members. Oregon has 5164 members. Going over from Heppner and Ione were Mrs. Van Hubbard, Mrs. Fredrick Martin, Mrs. Lee Pettyjohn, Mrs. James Driscoll, Mrs. Wallace Wolf and Mr. and Mrs. Ed Cutting.

Of special mention was the state sponsored project, "The Garden of Enchantment", 29 acres of a 3-senses garden for the blind near Sandy. A new garden club for blind members calls themselves "Touch and Grow."

**Favorite Flowers Fascinating to Garden Clubbers**

Fourteen favorite flowers and their cultures were the topics of the fourteen persons who attended the Heppner Garden Club meeting at the town house of Mr. and Mrs. Bill Rawlins. Two new members, Mrs. Ida Farra and Mrs. Ola Rugeles joined the club.

The new members contributed interesting facts — Ida spoke about the crocus and its culture, Ola told about columbines.

A special guest, Jim Driscoll talked to the group about the proper use of the flag. He pointed out the proper way to salute the flag, and declared that displaying the flag was very appropriate for Columbus Day.

Next month's meeting, Nov. 8, will be at Dorothy Heard's home. Mrs. Garry Tullis will speak on weathered wood and its use in arrangements and in the garden.

**Stuffed Animals Gather on Main St.**

Many original and amusing stuffed animals "from a hippopotamus to a mouse" will be displayed and sold on Heppner's Main Street tomorrow (Friday).

Mrs. Joyce Bergstrom will review the tax situation, and the mayor, Bill Collins will make a special presentation at today's Soroptimist luncheon at the Wagon Wheel.
