...MAKE IT A SPECIAL CHRISTMAS!  
at PETERSON'S JEWELERS, Heppner

Christmas may be for kids. But memories are for mothers.

*The Mother's Ring*  
by Guerin Brothers / a true original

Christmas means a lot to everybody. Especially the little ones. Every year seems just a little more special, a little more exciting than the one before.

But for a mother it's different. She remembers. Warm, personal thoughts, joyful recollections of Christmas past. Each one filled with gaiety, fulfillment... and love.

This year, why not give a gift of memories? The Mother's Ring.

Twin bands of solid 14K gold. Warm. As warm as the love of husband and wife. United in love by colorful synthetic gems. One for each and every child's birthday.

She'll always remember Christmas. But this year's will seem just a little bit nicer.

The Accutron watch has no balance wheel, no mainspring, no hairspring. Instead it has a tiny electronically-driven tuning fork. The tuning fork splits a second into 360 precise little parts. The best an ordinary watch can do is divide a second into 5 or 10 parts.

Accutron time is so nearly perfect that we guarantee monthly accuracy to within 60 seconds.\* We also guarantee a fine selection if you do your Accutron shopping now. From \$110.

\*We will adjust to this tolerance, if necessary. Guarantee is for one full year.
