

HHS Crushes Pirates, Falls to Cougars

After dropping a rough game to Wallawa on Friday night, Heppner's hoopers took out all hostilities the following night with a 89-73 romp over Riverside.

Steve Rhea Scores 33

A lack of consistency was all that kept Heppner from upsetting the third ranked Wallawa Cougars in the Friday contest. At one time in the first half the Mustangs trailed by 15 points, before they rallied to within 2 at the half. The second half period proved to be periods of hot and cold streaks for Heppner until the final buzzer which showed a 75-69 score in favor of Wallawa. Steve Rhea took scoring honors with 33 counters, 15 of them in the final quarter.

John Boyer Scores 35

Riverside got the bad end of the deal when they took the court Saturday night. After losing neck and neck for the first five minutes, Heppner exploded for a 28-18 first quarter lead. The second quarter showed the Mustangs lead getting bigger as their press and fast-break began to pay off. When the half ended heavily favored Riverside trailed 56-32. Heppner roared through the second half to take the 89-73 win. John Boyer took scoring honors with 35 points, followed by Rhea with 24. However, it was a team effort with everybody contributing to the win. Next Friday and Saturday Heppner will start league play, against Condon and Umatilla respectively.

Rhea and Boyer Lead

Individual scoring for the Wallawa game was Rhea 33, Boyer 22, Munkers 10, Papineau 2, Hedman 2, McCabe, Eckman, Wright, Sumner, Green, Dunlap.

Scoring in the Riverside game went as follows: Boyer 35, Rhea 24, Papineau 14, Munkers 7, McCabe 6, Green 4, Eckman 1, Hedman, Wright, Sumner, Dunlap.

Grazing Price Rise Limited

The charge of grazing livestock under permit on federal lands will be limited to a three percent rise over last year's rates, Congressman Al Ullman announced Monday.

The three percent increase on lands administered by the U.S. Forest Service and the Bureau of Land Management is expected to result in an average rise of two cents per animal unit month.

Ullman said he feels the whole issue of federal grazing fees should receive congressional review according to the recommendation made by the Federal Land Law Review Commission. "However, I'm pleased some kind of a lid has been put on the increases," Ullman said.

12th Night Service Fire Blazes Brightly

The 12th Night ceremony sponsored by the Heppner Boy Scouts and the Ministerial Association drew the fire department, but not many spectators. Rev. Don Burwell gave the 12th Night story of the Wisemen after the invocation by Rev. Rudy Mersch and the flag salute by the scouts. About 30 folks attended.

Rev. Burwell reports that the trees and greens the boys had collected made such a good fire that the fire department was called because the sparks were flying so high and wide.

He suggests that this could become a more meaningful annual event.

IMPORTANT NOTICE

FUTURE PENALTY PROVISIONS—The 1969 Legislature amended ORS 308.295 (Late Filing Penalty Law), to provide: The Penalty for late filing (After March 3) of Personal Property Returns shall be \$1 for each \$1,000 (or Fraction) of True Cash Value but not less than \$10 or more than \$250.

Any person who has not had an opportunity to report by mail or personal contact may obtain the forms at the office of the assessor.

Time is getting short. ORS 308.290 makes it the responsibility of the taxpayer to file these reports on time or incur the penalty provided by law.
