

Willow Creek Club Elects

The Willow Creek Country Club met Jan. 25 for the annual meeting at the Elks Club. Bob Jepsen was elected president; Dale Boner, vice president; Mrs. Harold Kerr, secretary-treasurer; Dennis Martin and Mrs. Phil Mahoney, board of directors.

Repairs of the damage from the May flood have been completed as well as the new underground sprinkler system.

Nutrition Class Takes Out Meals

Each Tuesday Nutritionist-aid Verna Brinda leads a nutrition class at the Neighborhood Center. This group works at making the best meals possible with low cost food. The group meets at 10:30 and has an appetizing meal ready by noon. For quite a few weeks now these ladies have shared the results of their nutritious production with two or three live-alone elderly of the community. Doesn't that sound good -- to have a nutritious, hot meal arrive Tuesday noon?

R. Christopherson Joins Air Force

Ron Christopherson left Monday for San Antonio, Texas and the Air Force. He is a graduate of Ione High School with the class of 1970. Ron is the son of Mr. and Mrs. Ernest Christopherson of Donald, formerly of Ione. He has been working for Paul Tew.

ANN LOUISE HABERLACH, whose wedding is planned for March 25 in Tucson.

Ann Haberlach's March Wedding To Be in Tucson

Mr. and Mrs. W. W. Weatherford announce the engagement of Mrs. Weatherford's daughter, Ann Louise Haberlach, to Raymond Edward Chenhall. Plans have been made for their wedding in Tucson, March 25, in the early evening in the garden of the Larry Hayden's hillside home. Rev. DeWane Zimmerman of Tucson's First United Methodist Church will conduct the informal ceremony.

Ann graduated from Corvallis High in 1966, gained her B. S. at OSU in 1970, and will earn a M. A. in Anthropology from the University of

Arizona this June. She spent her sophomore year at the University of Alaska and most of her junior year studying in France and England. Since Sept. 1971 she has been an instructor in Cultural Anthropology at Pima Community College, Tucson. As part of the requirement for her honors degree from OSU she wrote a study of the Heppner community.

Ray Chenhall graduated from Arcadia High in Scottsdale, Arizona in 1965. He entered the University in 1966 but withdrew after three semesters to volunteer for Navy duty. He served as an electronics technician stationed in San Diego for three years. After his discharge in Dec. 1970 he re-entered the U. of Arizona where he is majoring in architecture. Ray is the older son of Dr. and Mrs. Robert Chenhall of Fayetteville, Ark., where they both teach at the University of Arkansas.

Ann and Ray met at a Methodist Church youth group early in 1971. He is now completing his junior year. Ann expects to continue her teaching at Pima College.

Mrs. Weatherford enjoyed visiting with Ann, meeting Ray and his brother Don, who is also a U. of Arizona student, and getting acquainted with the Chenhall family's special friends the Haydens during late January.

Christmas Seals Foot Smoking Seminar

Morrow County TB and Respiratory Disease Assn. voted to foot the bill for the Smoking Seminar at the annual meeting here last Tuesday. The Seminar will carry 3 hours credit. The Eastern Region will match Morrow County's \$400 for a total of \$800. This will cover the tuition for 12 to take the course. Any more than 12, the cost would be prorated. The Seminar will be held later in the spring with weekend classes split between Irrigon and Heppner.

Mrs. C. C. Jones was elected president and Mrs. Herman Green, secretary. Mrs. Jones reported on the reaction of children when she presented the cross sections of lungs to the three schools: Riverside-Irrigon, Ione and Heppner. The children could hardly believe that they were actually sections from people's lungs. The sections encased in glass show a section of a normal lung and the other one damaged through Emphysema.

Carol Wylie of Riverside High School, last year's scholarship recipient, has married, but is continuing her nursing related career in Hawaii. Applications for this year's \$200 scholarship have been placed in the three high schools of the county. The Morrow County TB and Respiratory Assn. also has a loan fund to help those studying nursing and related careers. The total contributions from 1971 Christmas seals from Morrow County has not been computed. However, Tony Haberlach, program director for Eastern Region said Morrow County contributed \$1331.50 in 1970. Memorial contributions to this fund may be made through the Morrow County Health Department at the Courthouse.

Mr. Haberlach introduced a method if followed by the other regions in the state that could finance the procurement of a breathmobile for state-wide use. If 1c per person in each county were donated, there would be enough to buy it. The board voted to provide \$42 to cover the population of Morrow County. Methods of TB testing were discussed. The board ordered 300 lines for testing the 7th and 12th grades. The first grades as tested last year will be dropped as Dr. Tibbles noted TB very seldom shows up in that grade. Methods of treatment and attitudes towards TB is looked upon in a different light than in former years. Mr. Haberlach explained that no longer are TB patients sent to the same hospital. Six hospitals in various areas of the state are going to be set up to treat TB patients that will keep patients close to their own communities.

The Association voted to pay half the subscription price for six subscriptions of Today's Health for the schools, Hospital and doctor's offices. The Oregon Medical Assn. pays the other half.

Shrove Tuesday Pancake Feed

Feb. 15, All Saints' Episcopal women will again sponsor their annual Pancake Luncheon and Supper. All you can eat of ham, pancakes, homemade syrup, fruit and coffee. Luncheon will be served from 11 a.m. to 1:30 p.m. and supper from 6 p.m. until 7:30 p.m.

This follows the custom of ages past when all the grease was used up in each household on Shrove Tuesday before Lent by making pancakes.

There are no eggs in the 1972 Wheat League cake. We had two calls on this. Zella Prindle called Friday. She says the cake is delicious and the longer it sets the better it gets. Laurena Jones asked about the egg bit, too. She thought maybe she'd put in one just for general principles! Hazel Mahoney used her own good sweetened applesauce and put in only 1 1/2 cups sugar. She says it is a heavy cake but very very good. Have yet to try it!

FAREWELL TO REGGIE

The Gazette-Times had a struggle to find a night that Reggie had free in order to have a farewell dinner for him. Finally Friday evening, the snowiest evening of the year, we were all to meet up at our house. Two cars made it to the top, two made it halfway and one stopped at the bottom of the hill. People were walking in and out, up and down, pushing and shoving until finally 14 of us had arrived to enjoy the delicious dinner and cozy fire in the fireplace. We're going to miss Reggie.

NO CAMERA

Too bad I didn't have my camera at home Sunday because Larry and Bobby Angell with help from our favorite two year old, Bobette Angell, made a darling snow couple. She wore a scarf and an apron and he wore a hat and buttons down his snow white shirt.

They were beginning to lean Monday morning. The snow had been too dry for making snowballs, snowmen or forts until Sunday's warmth started the snow melt. Then it packed beautifully. Seen over town were forts and igloos and various snow people!

PATRICIA ALLEN whose engagement to James Michael Jacobs has been announced.

Mr. and Mrs. Merle D. Allen of Junction City announce the engagement of their daughter, Patricia Louise to Mr. James Michael Jacobs, son of Mr. and Mrs. Walter R. Jacobs of Moses Lake, Wn. A May wedding is planned.

Combine Clinic

Illustrated talk by Ray Stueckle of R & H Machine aimed at helping the operator get the maximum efficiency from his present combine. Covers basic settings on all parts of all major makes of combines, with special emphasis on how to balance a fan so there are no dead spots on the shoe and how to reduce loss of grain or seed over the walkers. There will also be a demonstration of how the SR Grain Monitor can be used to save both grain and time in harvest. Farmers are urged to ask questions about particular problems they have encountered in harvesting any crop.

NEW this year - a book containing most of the material presented at the meeting will be included with the admission charge of \$10.00. These books will be available this year to those who attend the clinics.

Holtz-Hoiness Rites at Carson City

The Bethlehem Lutheran Church in Carson City, Nev., was the setting for the Jan. 4 wedding of Sandra Hoiness, Portland, and Elmer C. Holtz, Ione. Officiating for the ceremony was Pastor Douglas Thunder of Carson City.

Parents of the couple are Mr. and Mrs. Russell Hoiness, Portland, and Mrs. Clarence H. Holtz and the late Clarence H. Holtz. The bride chose to wear a blue jacket dress for the occasion. Attendants for the couple were Gertrude M. Ellison and E. Jean Stokke, both of Carson City.

The new Mrs. Holtz is a 1970 graduate of the University of Oregon, where she majored in English. During the 1970-71 academic year, she taught English at Ione High School. This past summer she did graduate work at the University of Oregon and has been a substitute teacher in the Portland area prior to the wedding.

Mr. Holtz, born in North Dakota, is a graduate of Grandview High School, Grandview, Wash., and has lived in Ione for several years. Following a wedding trip to Lake Tahoe, the couple is at home in Ione.
