

Ione Carnival Is Smash Hit

by LINDA MCKAY

Mrs. Herbert Peterson, chairman of the Ione Carnival committee, reported that proceeds for the Sunday night event were far above expectations. She wishes to thank community members, parents, students and teachers who participated in making it a very successful project. Special gratitude is extended to the Ione-Heppner merchants, who donated prizes.

This year, interested grade school boys have had the opportunity to learn the basics of basketball. Del LaRue, teacher and coach at Ione High School, has devoted his Saturday mornings, since basketball season began, to approximately thirty youngsters, grades 1-5, in order to teach them the basic fundamentals. The boys have worked on techniques such as passing, dribbling, shooting, and some defense. The enthusiastic boys then have a chance to compete with each other during the half-time periods of the high school's home games.

VALENTINE PARTY

A partial afternoon of enjoyment was seen at Ione grade school, February 14, at which time the annual Valentine's parties took place. Mothers of the students in the individual classes planned the activities and refreshments.

In the first grade room was a decorated table holding cookies and refreshments.

The mothers with Mrs. Dave Barnett, chairman, supervised the games. Mrs. Bob Rietmann is first grade teacher.

Mrs. Lindsay Kincaid's second graders played a Valentine Bingo game winners being: Anita Palmer, Tammy Holtz, Mary Kincaid, Dian Morter, Chris Rietmann and Craig Gutierrez. Mrs. Mardine Patton served as chairman.

Mrs. Del LaRue, chairman of the third grade party, took the 22 students to the gym where they played an "ORANGE PASS GAME", "holding the balloon on a spoon," and "a break the balloon on the foot" game. The youngsters then opened Valentines and ate decorated cookies and cupcakes for refreshments, provided by the mothers. Mrs. Jerry Martin is the third grade teacher.

Mrs. H.R. Krebs entertained the fourth grade class with a melodrama: "The Villian," "The Hero," and "The Heroine." Stunts and games were also played by Mrs. Franklin Ely's class. Bingo, opening valentines, and refreshments occupied Mr. James Anderson's fifth grade students. Mrs. Charles Doherty served as chairman for this group.

A "dress-up clothes relay" was the highlight of the sixth graders' party. The students of Mr. Clifford Williams presented a gift to the mothers who hosted the party.

OUR COMPETITION RECOMMENDS BRONATE®

Our competitors think so highly of Bronate as a broad-leaf weed killer in wheat and other grain crops that they want you to tank mix their products with Bronate.

While we appreciate the compliment, we don't necessarily go along with the recommendation.

Because while the addition of less effective herbicides to Bronate may help the other herbicides, it doesn't help Bronate. Matter of fact, it can hurt Bronate.

Unlike many other herbi-

cides, Bronate kills your weeds without damaging your wheat. And tank-mixing reduces Bronate's high degree of selectivity.

Also, unlike other herbicides, Bronate isn't restricted to any particular soil type or condition. And tank-mixing limits Bronate's wide range of application.

Use Bronate alone if your weed problems include Tarweed, Gromwell, Henbit, Dogfennel, Crowfoot, Purple Mustard, and the rest of the Mustard family. Or any of the

23 other kinds of weeds listed on the Bronate label.

Our experience has shown that Bronate used alone has increased productivity for Northwest wheat farmers by as much as 20 bushels per acre.

Is it any wonder our competitors recommend Bronate?

For more information on how Bronate can help you, see your supplier or write Mr. R. P. Rich, Rhodia/Chipman Division, 120 Jersey Avenue, New Brunswick, N.J. 08903.
