

## Over The Tee Cup

By Marie McQuarrie

Will golfing weather that is really golfing weather ever arrive? There are many brave dedicated souls, however, that are standing the cold, wind, rain, hail and squally weather to play the nine holes. The course is in good shape for this time of year and they put on their warm clothes and get in their game. Bless them, for having the fortitude to play their favorite game in not too favorable weather. Those people that are playing now are going to be way ahead in their game from those that are waiting for nice sunny days.

**PLEASE TAKE NOTE--** Men and women of Willow Creek Country Club have been invited to play golf at McNary Golf Club on Sunday, April 16. This coming Sunday is the 16th, so please make plans now to attend this coming Sunday. Condon Golf Club and Kinzua Golf Club will also be there. The time is 9:00 a.m. Mark this on your calendar right now for the 16th - and mark it in your brain so you won't forget.

Invitations for the ladies have also been received. These will all be put on the calendar at the clubhouse, so please make note of them and keep watching for what is coming up. Good idea to put the following on your "date days" at home, so you won't forget. They are as follows:

Condon Golf Club Ladies invite us on Apr. 28th, coffee at 9:30, tee-off time at 10:00.

Condon Golf Club Ladies also invite us to play on Aug. 16 at 5:00 p.m. with the Kinzua Ladies playing also.

John Day Ladies Golf Association has issued an invitation, but as it conflicts with another, we will correspond with them about a change of date.

### Ione Baseball At Riverside

Ione's junior high baseball squad took on the Riverside Junior High, April 5. Ione's perseverance proved rewarding as the team came out victorious 5-3.

Although the game was hitless and scoreless through 4 innings of play, pitcher Joe Rietmann ended the game allowing only 3 Riverside hits. Pitcher Zielinski of Riverside was laced with 5 Ione hits.

The fifth inning saw 5 Ione runs scored as Dan Akers drove in the winning run with a single. Dan, Todd Peterson, Joe Rietmann, Bob Gates, and Kim Gutierrez, all had hits for the junior high team. Zielinski picked up 2 hits for Riverside.

Joe went all the way for Ione with Gutierrez behind the plate. Zielinski pitched 4 innings and was relieved by Ellis. Nelson and Zielinski had the catching duties.

Couch Jerry Martin encourages the parents and townspeople to attend the ball the next Ione junior high game will be held at Echo at 3:30, Thursday, April 13.

### IONE Calendar of Events

The Junior Senior Banquet, hosted by the Junior class, will begin at 7 p.m. in the school cafeteria on April 14.

The Junior-Senior Prom will be held on April 15, from 9 p.m. - 1 a.m. A group called "The Griffins" from Portland will provide music for the annual affair, sponsored by the Junior class.

# OUR COMPETITION RECOMMENDS BRONATE®

In baseball action, the Condon Blue Devils blanked the Ione Cardinals, 15-1, in a heavily one-sided contest on Condon's home field, April 6. Condon picked up 13 runs in the first inning to dampen any hopes of winning for the Cards. The Condon runs were salvaged on a number of errors and wild pitches by the Ione team.

The big thrill of the day came for Kent Gutierrez, however, when he laced a home run in the first inning of play.

Ed Winkleman, Kent, and Tom Gates shared the pitching chores, with John Rietmann and Ed picking up the behind-the-plate duties.

In a baseball game that was scoreless through 5 full innings of play, the Ione Cardinals finally topped Dufur by a score of 1 to 0.

In a pitching duel, Ione's Dick Snider gave up only 2 hits in 5 innings and McCurdy of Dufur only allowed 3.

Ione's only run was scored on an error in the bottom of the sixth inning. Both teams committed 3 errors.

Kent Gutierrez of Ione came in to relieve Snider for the last two innings of play as McCurdy went all the way for Dufur. The catching duties were picked up by Bolton of Dufur and Ed Winkleman and John Rietmann for Ione.

### Weather Man To Speak At Chamber

Jim Wakefield, Meteorologist in charge of the National Weather Service for Oregon at the Portland International Airport will speak Monday at the Heppner-Morrow County Chamber of Commerce.

Our competitors think so highly of Bronate as a broad-leaf weed killer in wheat and other grain crops that they want you to tank mix their products with Bronate.

While we appreciate the compliment, we don't necessarily go along with the recommendation.

Because while the addition of less effective herbicides to Bronate may help the other herbicides, it doesn't help Bronate. Matter of fact, it can hurt Bronate.

Unlike many other herbi-

cides, Bronate kills your weeds without damaging your wheat. And tank-mixing reduces Bronate's high degree of selectivity.

Also, unlike other herbicides, Bronate isn't restricted to any particular soil type or condition. And tank-mixing limits Bronate's wide range of application.

Use Bronate alone if your weed problems include Tarweed, Gromwell, Henbit, Dogfennell, Crowfoot, Purple Mustard, and the rest of the Mustard family. Or any of the

23 other kinds of weeds listed on the Bronate label.

Our experience has shown that Bronate used alone has increased productivity for Northwest wheat farmers by as much as 20 bushels per acre.

Is it any wonder our competitors recommend Bronate?

For more information on how Bronate can help you, see your supplier or write Mr. R. P. Rich, Rhodia/Chipman Division, 120 Jersey Avenue, New Brunswick, N.J. 08903.
